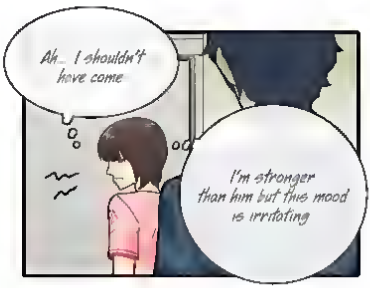
Cherry Boy, That Girl

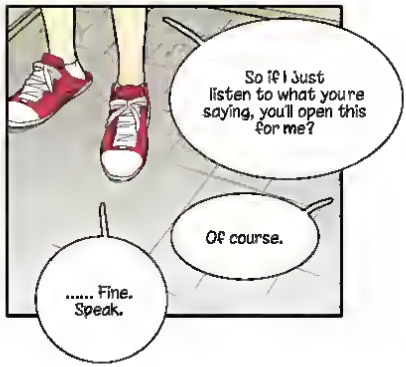
Chapter 76

Just finish listening to what im saying.

Please.
NB

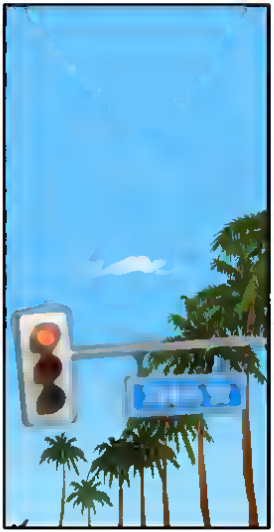


Ah... I shouldn't have come
I'm stronger than him but this mood is irritating



So if I just listen to what you're saying, you'll open this for me?
Of course.
..... Fine. Speak.

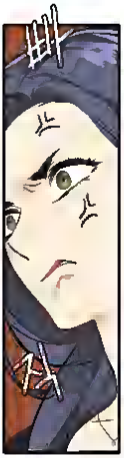
Ok. Thanks.



Hello, I'm here for the arranged marriage meeting-

Ah, we've already met, haven't we?

Huuh~
Dig
Dig
Why is it that someone too busy studying to contact or date anyone has called for me?
Did you come to America to study cheating?

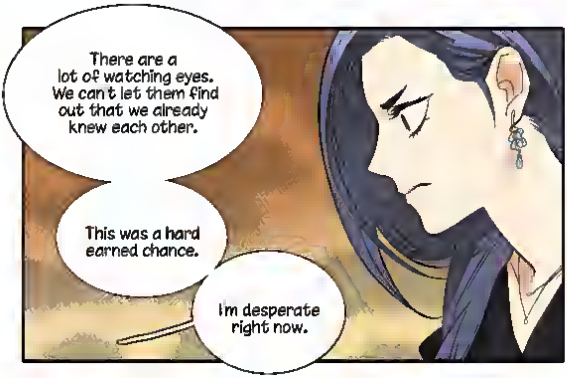


SFX: Rage

WHY DID YOU CALL ME HERE?! HAVEN'T YOU FORGOTTEN SOMETHING? THERE'S SOMEONE ELSE YOU SHOULD HAVE CALLED!
THE CUTE KID WITH THE BRUNETTE BOB CUT!
WHY HAVEN'T YOU CONTACTED HER?
DO YOU REALIZE HOW MUCH BERRY...?

SFX: Slam

...Will you lower your voice and sit down?
WHAT?
WHO ARE YOU TO MAKE DEMANDS?!

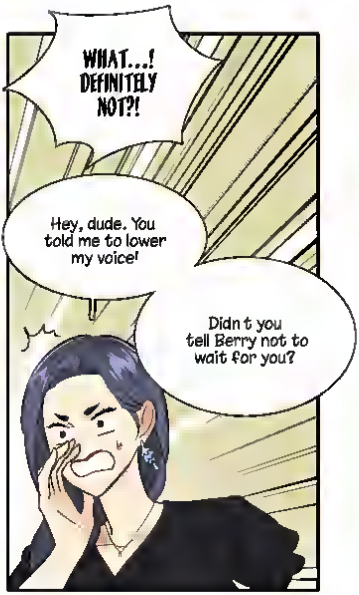


There are a lot of watching eyes. We can't let them find out that we already knew each other.
This was a hard earned chance.
I'm desperate right now.

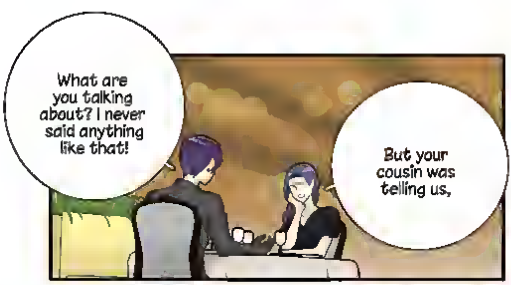
!

...Fine.
You better have a good explanation for this.
What's with the mood...?

I'm prohibited from going outside and my phone was taken away, not to mention I'm being watched 24 hours a day.
I don't have anyone to help me.
If you weren't on the list for potential marriage arrangement partners, I wouldn't have been able to contact you either.
What? It wasn't that you had a change of heart?



WHAT...! DEFINITELY NOT?!
Hey, dude. You told me to lower my voice!
Didn t you tell Berry not to wait for you?



What are you talking about? I never said anything like that!
But your cousin was telling us,

that you said, 'I don t know when I m coming back
sa don t wait.
WHAT?

하아

SFX: Haaa

I don't know why Hyung said samething like that, but it's not true.
All I told him was to tell her my situation...
...Is that true?
???
Who's telling the truth...?

That's what I thought... I asked some of the other girls for help too but they didn't even pretend to have heard me.

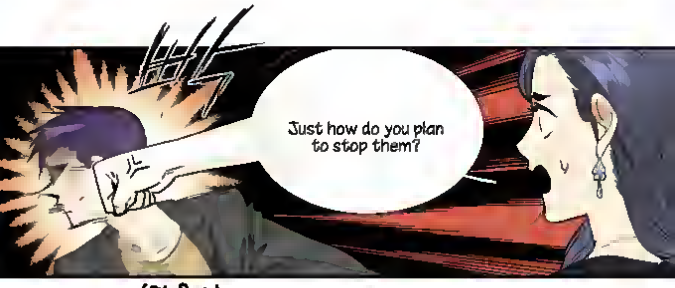
Their relationship with my family's power is more important than I am.

That's...
How would you live in Korea if you crossed them?

The main house is doing all they can to separate Berry and me.
Pear-hyung might have said something like that because he was getting pressure from the family too.

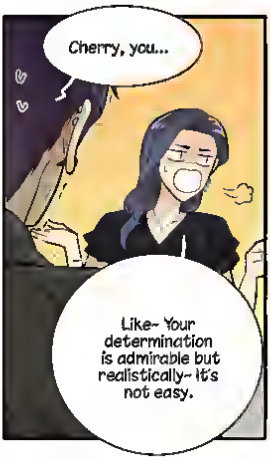
Ah...
Ha... I don't know how I'm going to tell Berry that it's completely over with you...
It's not over! Don't just end other peoples' relationships like that.

I don't care how much the people from my family are against it.
I won't let them break up Berry and me.



Just how do you plan to stop them?

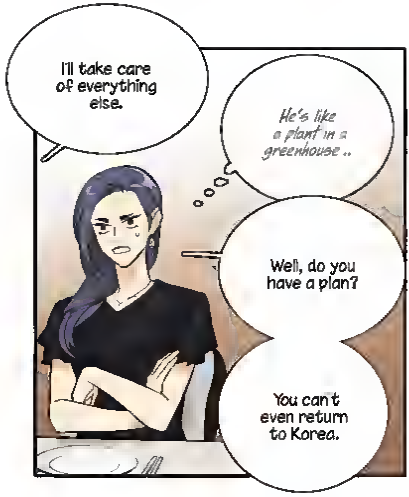
SFX: Punch



Cherry, you...
Like~ Your determination is admirable but realistically~ it's not easy.

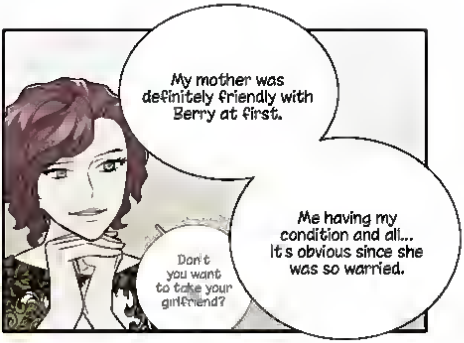
What can you do when you're up against Gangsung?
You're just a high schooler.
Even naw, barely managing to cantact me was the best you cauld da.

You have my sympathy, but the best I could do is to give Berry your regards.
My family has no plans ta appase yours.
Clench
Sending regards is enaugh.

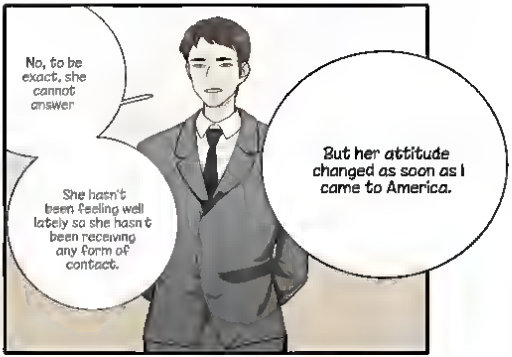


I'll take care of everything else.
He's like a plant in a greenhouse ..
Well, do you have a plan?
You can't even return to Korea.

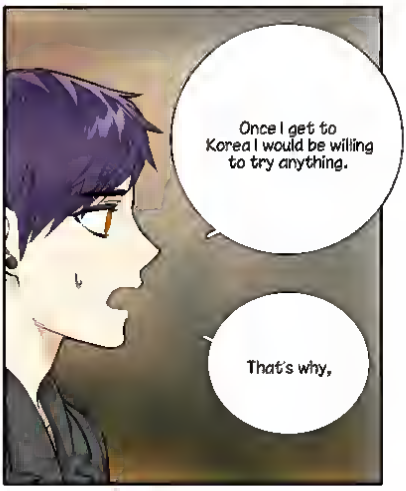
There will be a large scale family gathering soon.
Even my mother can t stop that.
You'll be back in Korea then?
Yeah, but they'll try to deport me immediately after...



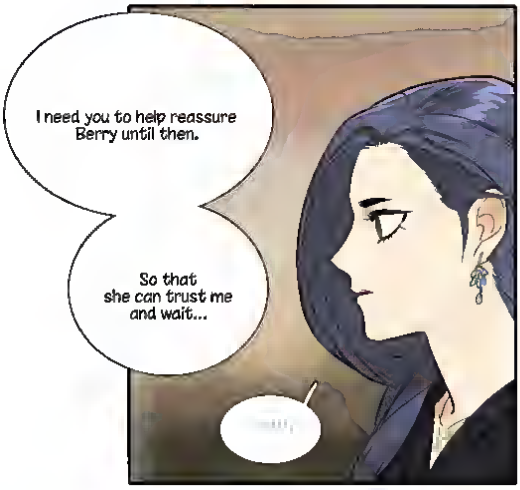
My mother was definitely friendly with Berry at first.
Me having my condition and all... It's obvious since she was so worried.
Don't you want to take your girlfriend?



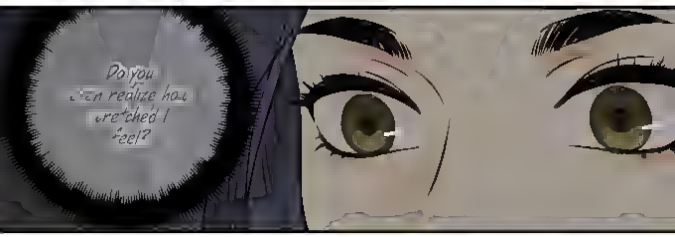
No, to be exact, she cannot answer
She hasn't been feeling well lately so she hasn't been receiving any form of contact.
But her attitude changed as soon as I came to America.



Once I get to Korea I would be willing to try anything.
That's why,



I need you to help reassure Berry until then.
So that she can trust me and wait...

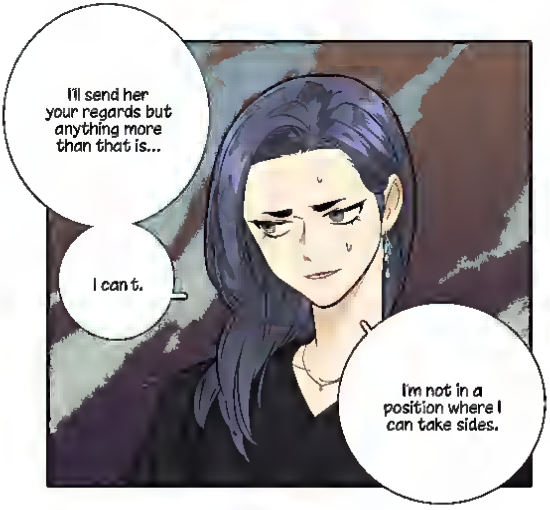


Do you even realize how wretched I feel?

You're only after feeling good about yourself for pitying me because I depended on you.
You have the delusion that you helped me when you only did it for yourself.

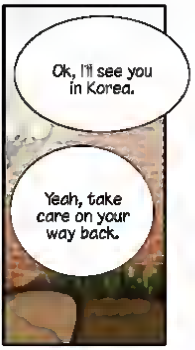
I'm not blaming you. Just...
If you don't have the heart to keep me alive or the bravery to kill me...
...Cherry Kim?

What is it? Are you okay?
Ah, yeah...



I'll send her your regards but anything more than that is...
I can't.
I'm not in a position where I can take sides.

I'm sorry.
No, I'm sorry for making such an unreasonable request.
Please do what you can.
Sides?



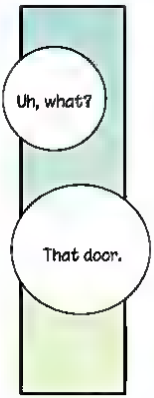
Ok, I'll see you in Korea.
Yeah, take care on your way back.

Vr-oom

Walnut really likes Berry..
Even so whether or not he can win against his family is...

Aside from all that, Darin... What exactly
are you planning to do with Berry?

What kind of house has a door that locks the inside too?
What exactly did Cherry do as punishment..?
Shiver
Sweat
Does it bother you?



Uh, what?
That door.

...A little?
But I feel like I'm about to hear a scary story.
Haha
It wasn't much of a punishment.

...Berry.
H-t
What?
Berry.

Berry...
What?

Berry...

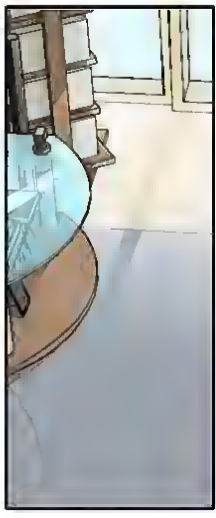
Cherry Boy, That Girl

Chapter 77



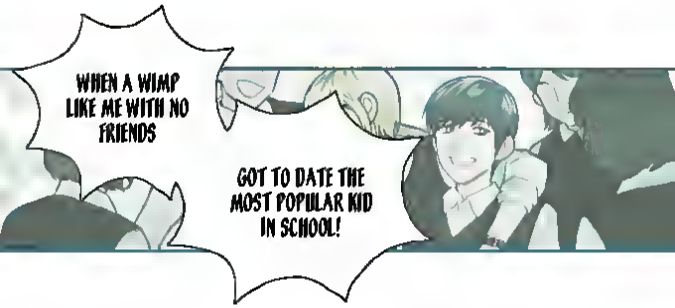
...Berry?

Berry,

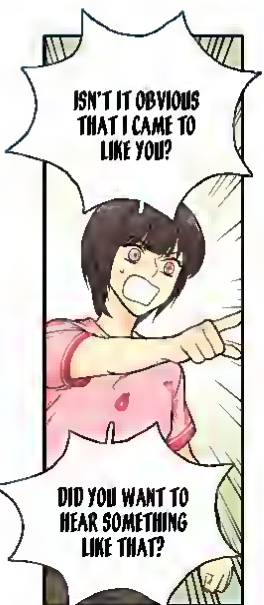
you really never liked me?
What difference does that make?

I JUST WANT TO GET OUT OF HERE.
HURRY UP AND JUST SAY WHAT YOU WANTED TO TELL ME!
THIS IS AN IMPORTANT ISSUE!
YOU SAID THE ONE YOU LIKED WAS CINNA!
THEN WHAT WAS I? DID YOU JUST USE ME? OR DID YOU JUST NOT WANT ANYONE ELSE TO HAVE ME?
DID YOU DATE ME FOR AN ENTIRE YEAR WITH NO EMOTION WHATSOEVER?!

I LIKED YOU, SO WHAT?!
ISN'T IT OBVIOUS?



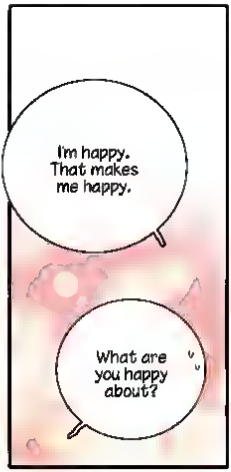
WHEN A WIMP LIKE ME WITH NO FRIENDS
GOT TO DATE THE MOST POPULAR KID IN SCHOOL!



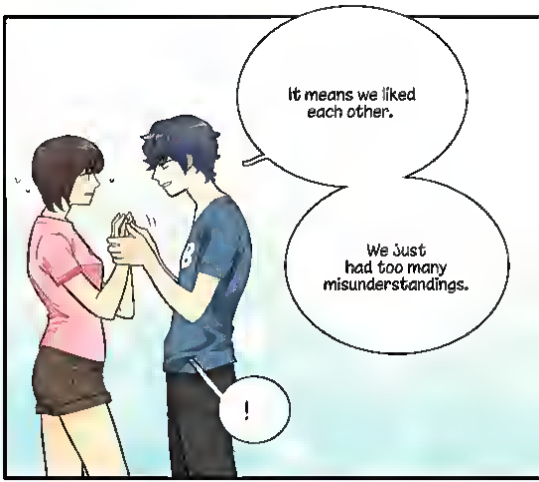
ISN'T IT OBVIOUS THAT I CAME TO LIKE YOU?
DID YOU WANT TO HEAR SOMETHING LIKE THAT?

?
Grab

What?
...What are you expecting now?



I'm happy. That makes me happy.
What are you happy about?



It means we liked each other.
We just had too many misunderstandings.
!

WHAT DO YOU MEAN MISUNDERSTAND-INGS?
WHY CAN'T YOU UNDERSTAND WHAT I'M SAYING??
I want to clear up any misunderstand-ings we have.

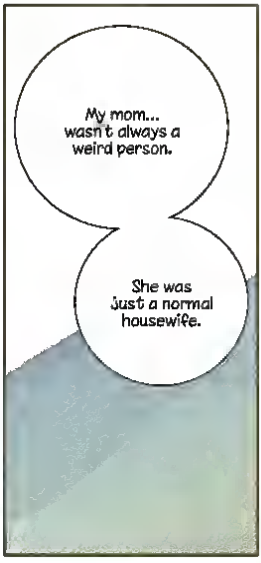
What misunderstandings are there between us?
That you isolated me? That you two-timed me?
Yeah, fine, call that a mis-understanding.

THE WAY YOU INSULTED THE WAY I LOOKED IN FRONT OF PEOPLE? DID YOU DO THAT BECAUSE YOU LIKED ME TOO?

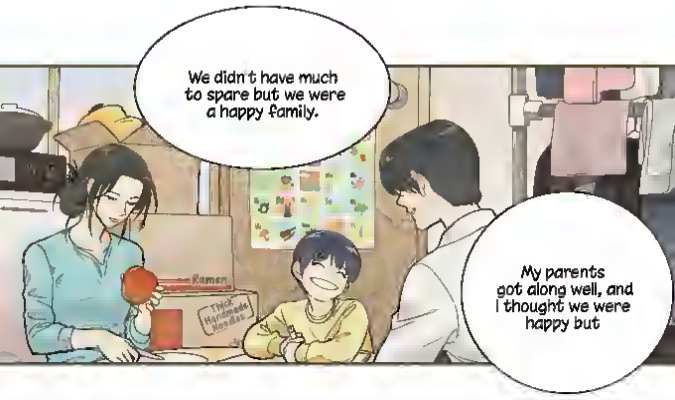
STRIDE
Berry, that's...
It's fine. I don't want to listen to any more.
STRIDE
You should have the key to the door. Give it to me. I'm leaving.

Cherry's phone?
Where did she go without her phone...?

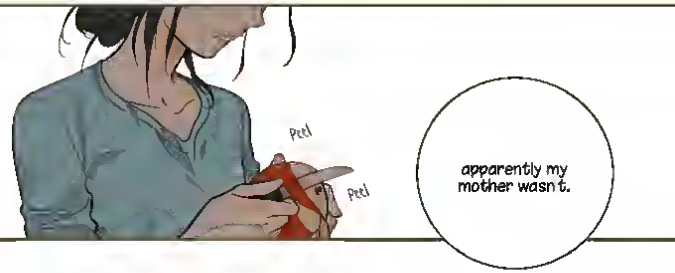
The key is over here, so let me finish talking.
I'll tell you everything I know about Cherry too.
Jingle



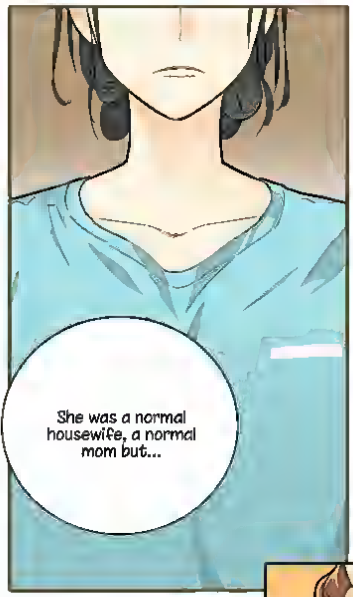
My mom... wasn't always a weird person.
She was just a normal housewife.



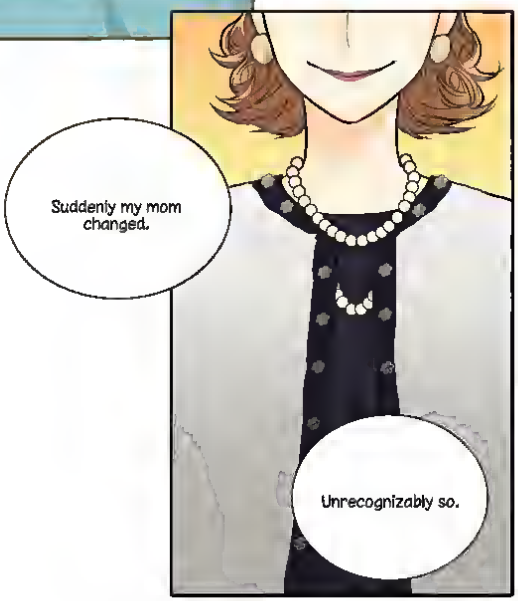
We didn't have much to spare but we were a happy family.
My parents got along well, and I thought we were happy but
Ramen
THOR Handmade Noodles



Peel
Peel
apparently my mother wasn't.



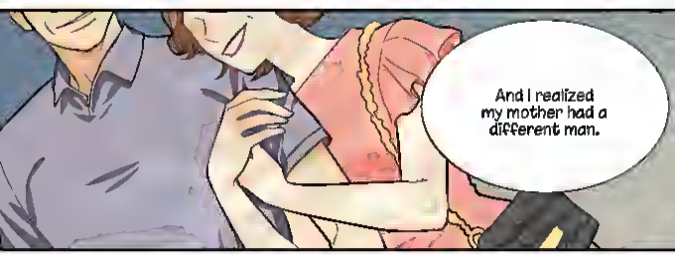
She was a normal housewife, a normal mom but...



Suddenly my mom changed.
Unrecognizably so.

The mood in our house also got noticeably worse.
RRX

One day the fighting got bad,
my mother left after leaving me at an orphanage.
That happened several times...

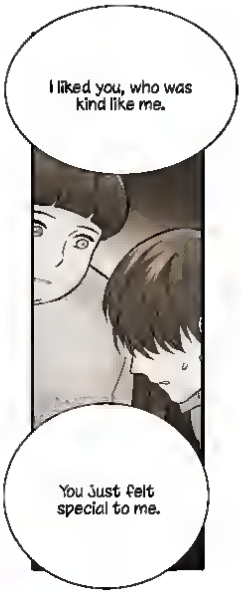


And I realized my mother had a different man.

My dad realized it as well...

And then our family completely scattered.
I came to live at Cherry's place...

I kept-kept thinking of what happened then...
So I had no choice either



I liked you, who was kind like me.
You just felt special to me.

I was so, so happy when we started dating.
I really wanted to treat you well but...

After we started dating you got brighter and brighter
and more people started gathering around you.
I got more and more nervous.

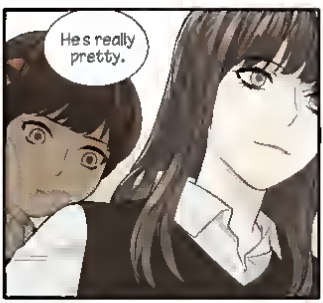
That's why I did that... I'm sorry...
Then you, no way...

I have na thaughts an halding yau back, so dan't worry.
It would be really nice if you started hanging out with the other girls and not me starting naw.

Is that why you treated me that way?
Because af your anxiety?

...Why you didn't like it when I said I'd started dieting?
Ha
Ha
Ha
Why yau embarrassed me?

STOP IT IF IT'S GOING TO BE THIS WAY!

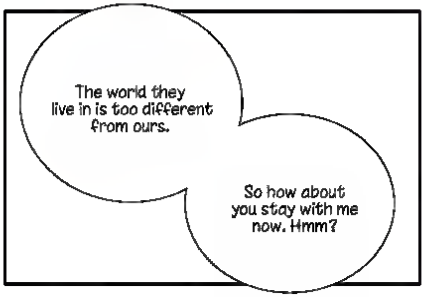


He's really pretty.

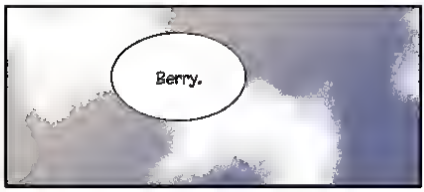
I was scared you'd change like my mom.
Hug
I'm so sorry, I was weak.

Even so, you understand me, right? Right?
You have to. Since you love me.

Cherry went to America for an arranged marriage meeting.
Shiver



The world they live in is too different from ours.
So how about you stay with me now. Hmm?



Berry.

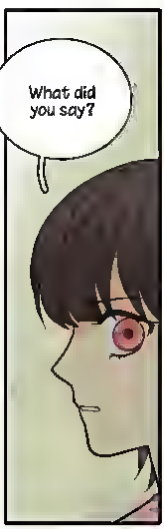
PUSH

So what are you expecting from me right now?

Are you begging for cheap-ass sympathy?
Or for a pretend mom?
You seem to think that s love but,
all I see is a mental disorder!

Give me the key!

Click
...will die.



What did you say?

I'm going to die if I don't have you.
Are you still going to abandon me?

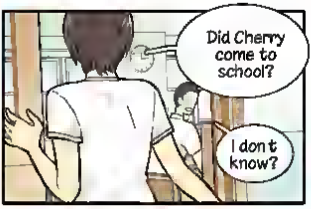
Ask Mandarin Kim

Just when I thought... I would never see Cherry again,
summer break ended.

DASH

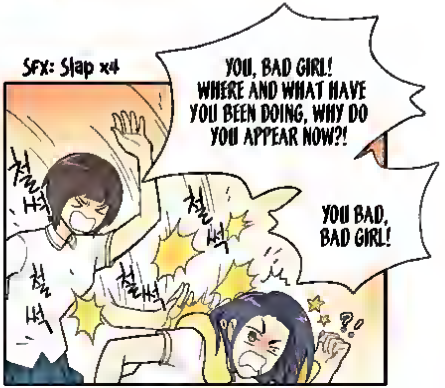


Did Cherry come to school?
I don't know?

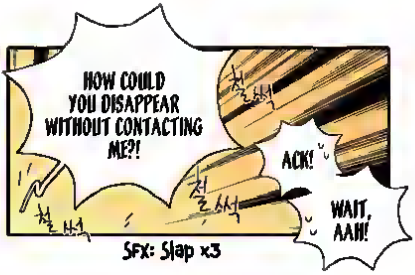
I saw someone go into the music room Just now, that might be her.

HEY, CHERRY KIM!

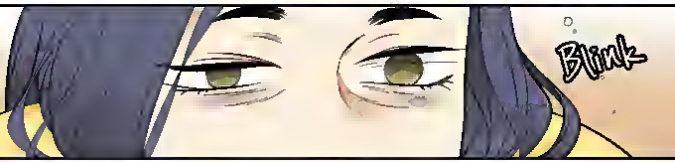
SFX: Open



SFX: Slap x4
YOU, BAD GIRL! WHERE AND WHAT HAVE YOU BEEN DOING, WHY DO YOU APPEAR NOW?!
YOU BAD, BAD GIRL!

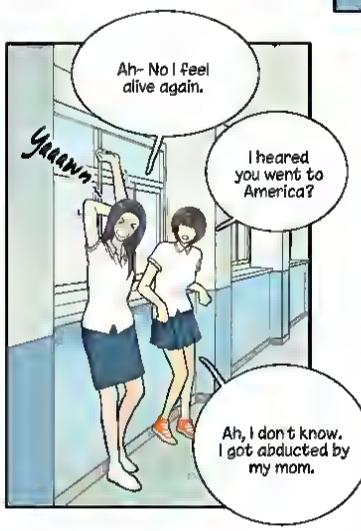


HOW COULD YOU DISAPPEAR WITHOUT CONTACTING ME?!
ACK!
WAIT, AAH!
SFX: Slap x3



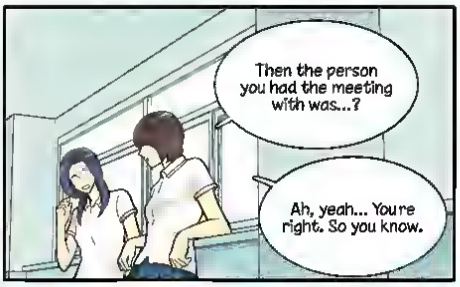
Blink

I'm tired... I'm not over the jet lag yet.
When did you arrive in Korea?
The day before yesterday. .

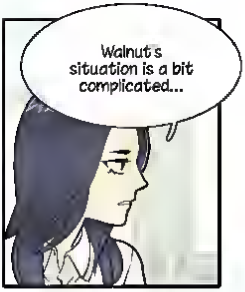


Ah- No I feel alive again.
Yaaawn
I heared you went to America?
Ah, I don't know. I got abducted by my mom.

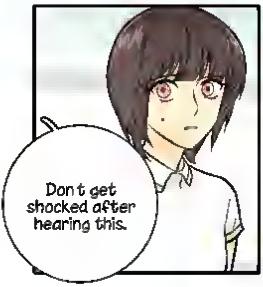
But... I met Walnut there.



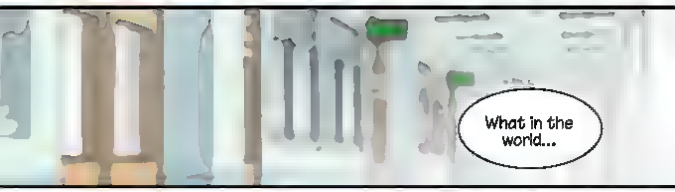
Then the person you had the meeting with was...?
Ah, yeah... You're right. So you know.



Walnut's situation is a bit complicated...



Don't get shocked after hearing this.



What in the world...

LOCKED FOR 24 HOURS?
Yeah.
ARRANGED MARRIAGE MEETINGS EVERYDAY?!
Yup.
THE HOUSEHOLD HATES ME?!
Mmhm.

WHY?!
I wouldn't know. Am I your mother-in-law?

That's all I can tell you.
Ok... You're not coming to the academy anymore?
I won't go there. All the good looking guys had girlfriends.

Do you still go there?
??
...You said we'd go together...

Ah, I'm sorry...

!
Surprised!
AH!

MANDARIN KIM!

What is this, you have grown so much since I last saw you?!
Ugh, Mandarin Kim
It's the first time since that day...
You were smaller than me!
Did you eat a lot of good things without me?!

Turn

DAMMIT, IF YOUR FRAME IS LIKE THAT,
WE CAN'T PLAY WHILE DRESSING YOU UP AS A GIRL ANYMORE!
So it was you – who made him dress up like that

Cross-dressing...
Oh yeah, Pear-oppa doesn't know that Darim cross-dressed
Will he notice it now .

You do some weird things for a guy.

It doesn't suit you.
Haha
Moron..

Between Pear Kang and Walnut Kang.

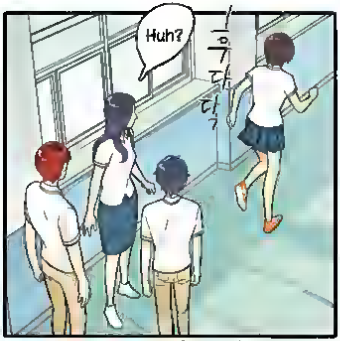
Who's telling the truth?

The way I see it, Pear was 100% playing both sides

I want to ask immediately too but.
Glance
I don't want to tell Darin about Wally's situation.
He might try to get closer again

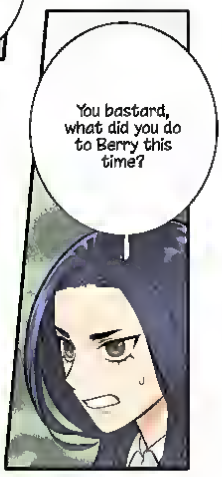
Strawberry Shin, do you have anything to say?

Huh?
N... No!

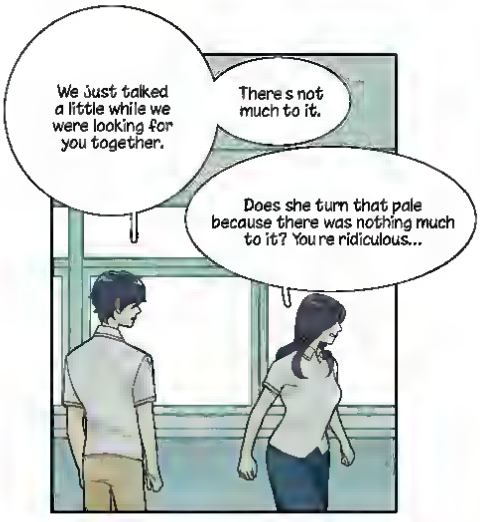


Huh?
타다다
SFX: RuSh

...Don't you need to chase after her? She's you're precious friend.



You bastard, what did you do to Berry this time?

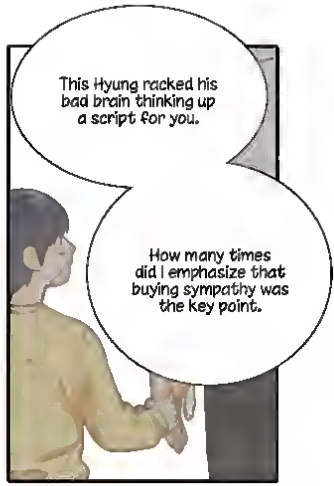


We just talked a little while we were looking for you together.
There's not much to it.
Does she turn that pale because there was nothing much to it? You're ridiculous...

You make my skin crawl.

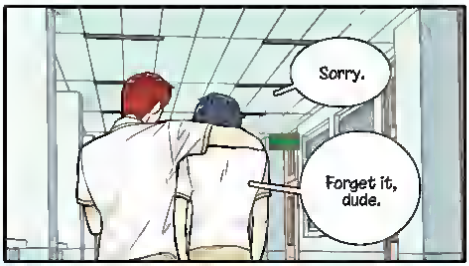
It's obvious what you're doing this for, but
act appropriately, ok?

Treating someone like they've got a criminal record...
Ugh
Hm
So who told you to drive Berry into a corner like that?
Why did you do something unnecessary?



This Hyung racked his bad brain thinking up a script for you.
How many times did I emphasize that buying sympathy was the key point.

Why did you ruin that?
...

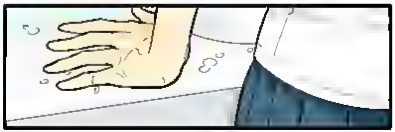


Sorry.
Forget it, dude.

There's still time before Wally comes back.

Let's get the ending you want before that.
Yeah.

Whoosh



I'm tired.

Let's get married.
I wanted to tell you this before I left.

They're considering the girlfriends' class now.

The world they live in is too different from ours.

So how about you stay with me now. Hmm?

Huh? Yeah, yeah. Coincidentally.
She is a nice person.
Is that so.

지나
아!!

SFX: Splash

Cough
HEY! HEY!! WHAT THE HELL ARE YOU DOING?
Cough
Cough

Water that was used to wash the mops. How does it taste?

Isn't it perfect for someone like you with a cheap mouth?
I heard you talked bad about me to La-Min?

What are you talking abaut?! I never talked bod about yau!
Cough
Then wha blabbed about us ta La-Min?

Ah... Maybe Cherry Kim?
That punk...

Did you both think that it was your chance when yau met my younger sister?
Talking bad about me behind my back.
How much did yau tell her?

You must have laughed as you compared me and my sister.

Since I'm the smelly soybean paste who could only go to an industrial high school and she's not only pretty but also goes to a foreign language school.

WHY DO YOU HATE ME SO MUCH?
WHAT EXACTLY IS THE REASON YOU'RE BEING LIKE THIS?
THERE'S NO WAY YOU'RE BEING LIKE THIS BECAUSE OF WHAT HAPPENED IN THE BEGINNING OF THE SCHOOL YEAR!

What are you going to do if you find out why I'm like this?
Make up with me?

LIME MOON!
The idea of that revolts me so sure, I'll tell you.

At the beginning of the year you acted nice so the guys would like you,
and you laughed at them behind their backs, right?

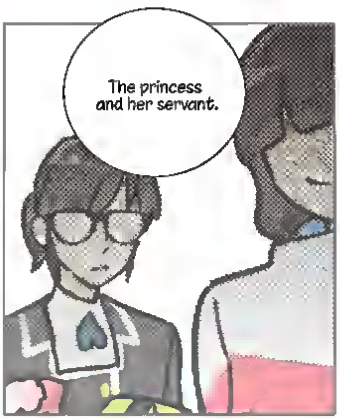
You were loved more than you deserved.
CRAZY CUTENESS
Berry

You had no principles and played around with different guys.

Th-that's, my bad but... You could have told me or stopped me!
Weren't we friends?

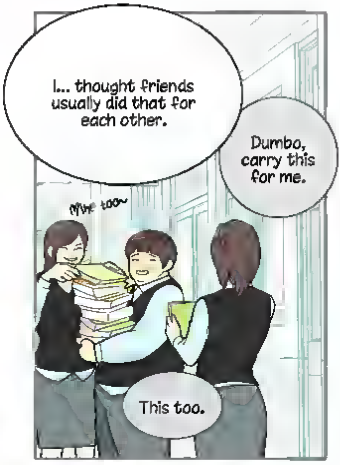
Friends?!
Let's be friends from now on.

I was your servant who carried presents for you and got rid of them.
Do you even know what we were called?



The princess and her servant.

You did that because I looked easy to take advantage of and laughable, right?
N-no.
I didn t know...

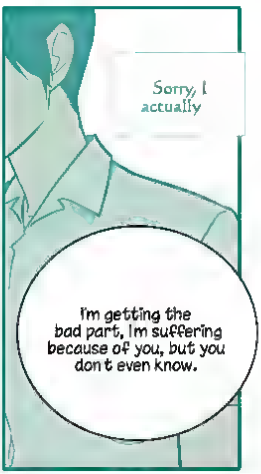


I... thought friends usually did that for each other.
Dumbo, carry this for me.
Mine too~
This too.

To think you felt that way...
You wouldn t have known.

You don't even think about how others would feel...
THAT'S WHY YOU DESERVE TO SUFFER!

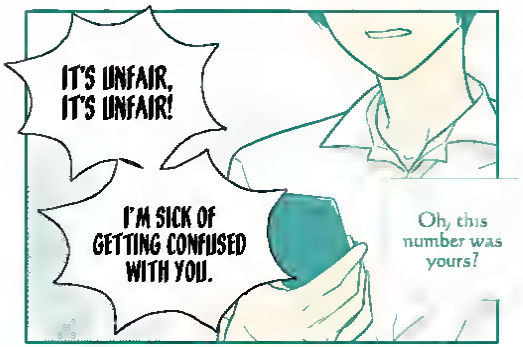
Why do you get to be the only pretty, loved, and kind person?
Huh? You like me?
That's unfair!



Sorry, I actually
I'm getting the bad part, I'm suffering because of you, but you don't even know.

Huh?
Why do I have to be compared with you? Get laughed at?
What?

We get compared that much?
AN IDIOT LIKE YOU WOULD HAVE NO IDEA!



IT'S UNFAIR, IT'S UNFAIR!
I'M SICK OF GETTING CONFUSED WITH YOU.
Oh, this number was yours?

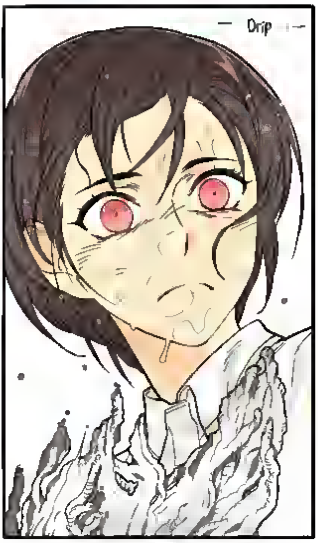
Sorry, I mistook you for someone else Ignore all the messages I sent till now.

I'm the one that looks stupid!

?
I think that something happened that I don't know about... but I'm sorry.
I thought you hated me for no reason.

SOMETHING LIKE YOU...!
HEY!
Kick

SFX: Slap!

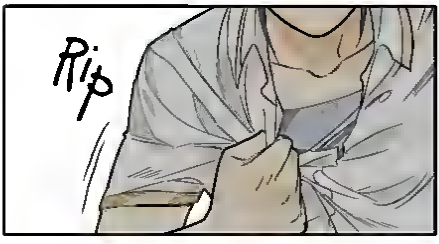


SFX: Slap!

Drop

I'm sorry for hitting you but don't you think you're going too far?
If you're mad we could've talked it out.

Exactly how much more do I have to do to make you feel satisfied?!
Huh?!



Rip

HEY ARE YOU CRAZY?!
WHAT ARE YOU DOING?!

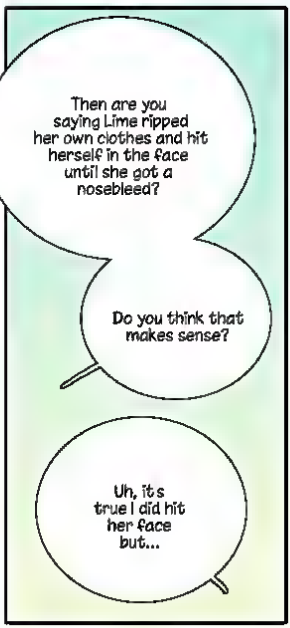
GET YOUR HANDS OFF LIME RIGHT NOW!!

Teachers' Office

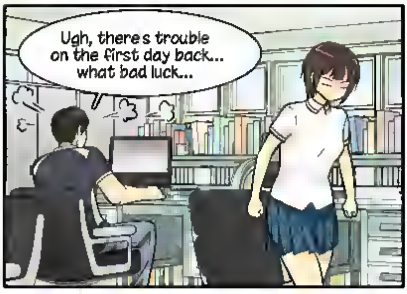
Bring your parents to school tomorrow.

I contacted Lime's family too so beg for forgiveness.
If this goes over to the police, you're going to be in big trouble.
I said I didn't do it.



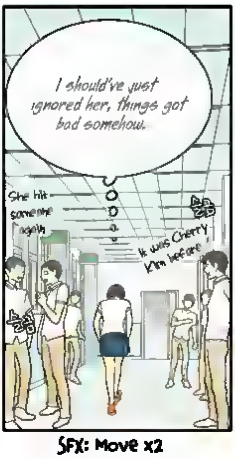
Then are you saying Lime ripped her own clothes and hit herself in the face until she got a nosebleed?
Do you think that makes sense?
Uh, it's true I did hit her face but...

THEN SHUT YOUR MOUTH AND BRING YOUR PARENTS TO SCHOOL!



Ugh, there's trouble on the first day back... what bad luck...

It was bad of me to hit her but is it that bad?
I'm not the only one in the wrong

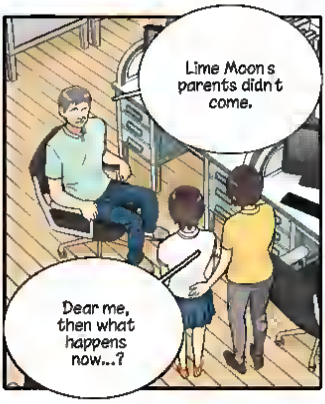


I should've just ignored her, things got bad somehow.
She hit someone again
It was Cherry Kim before

SFX: Move x2

Next day

I'm sorry!
It's my fault for not educating my daughter properly.
You apalogize too!



Lime Moon's parents didn't come.
Dear me, then what happens now...?

A family member came in their place and they want to meet Berry.

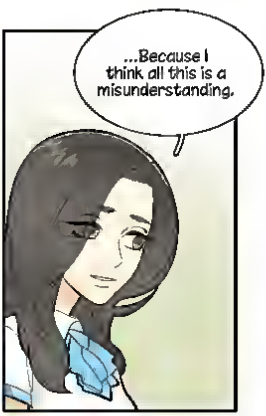
What happened with Lime was...
Pass
Will you accept this?
Huh?

Cookies?
Baking cookies is my hobby.

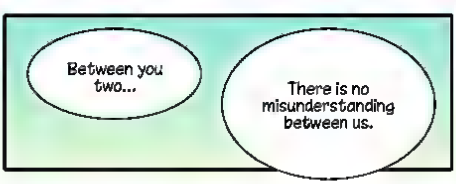
They might not taste great.
??
Why are you giving this to me?
Haha

I got called here because I fought with Lime Moon.
Why are you giving me presents when I hit your sister?

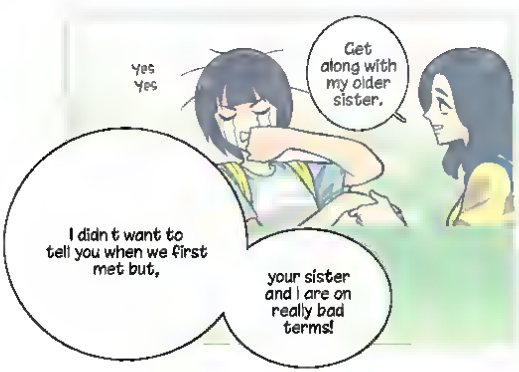


...Because I think all this is a misunderstanding.

A misunderstanding? What are you talking about?



Between you two...
There is no misunderstanding between us.



Yes
Yes
Get along with my older sister.
I didn t want to tell you when we first met but,
your sister and I are on really bad terms!

...No.
To be more precise, your sister hates me.
...Hahaha.

DOES SHE THINK THAT I'M A PUSHOVER BECAUSE I FELT BAD ABOUT WHAT HAPPENED BEFORE AND KEPT A LOW PROFILE?
WHAT DID I DO TO DESERVE THIS FROM HER?
I CAN'T HOLD IT ANYMORE!
BRING IT ON, LIME MOON!
SFX: Explode

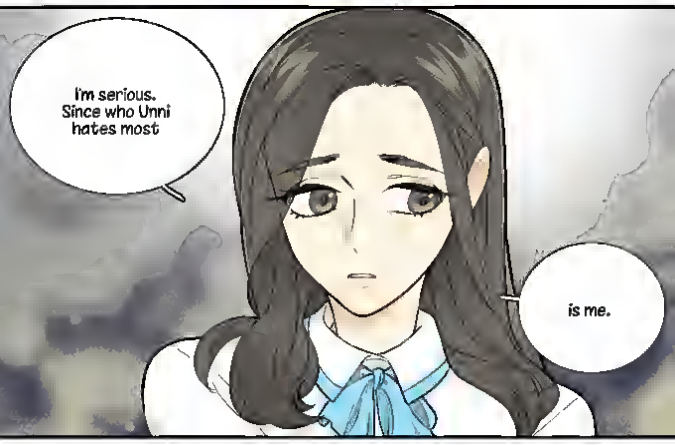
Awkward...

...I'll try to savor the cookies...
My sister is the perpetrator this time as well, right?

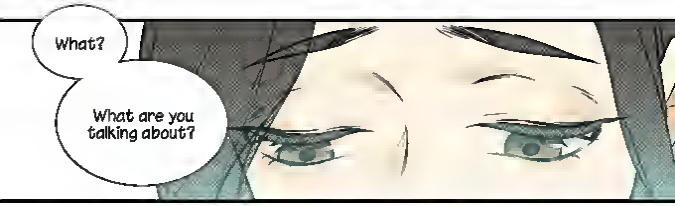
I'm sorry.
No, it's nothing...
Why are you apologizing?

You did nothing wrong.
It's all my fault.

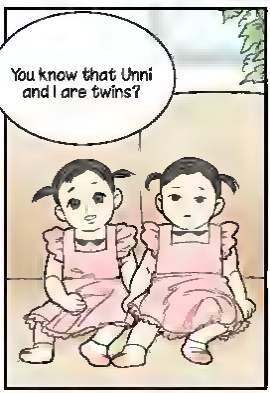
It's not that Unni doesn't like you.
What? What are...?



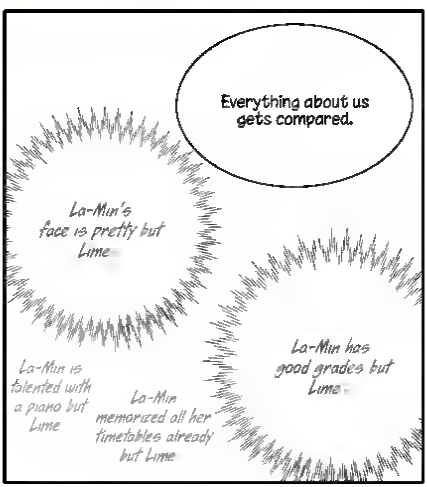
I'm serious. Since who Unni hates most
is me.



What?
What are you talking about?

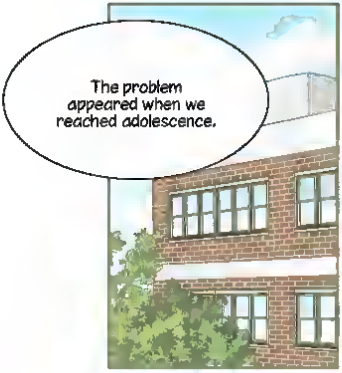


You know that Unni and I are twins?



Everything about us gets compared.
La-Min's face is pretty but Lime
La-Min has good grades but Lime
La-Min is talented with a piano but Lime
La-Min memorized all her timetables already but Lime

Even so, we got along well. We were sisters and best friends.
We did everything together.



The problem appeared when we reached adolescence.

Mumble
I want to date her.
Mumble
Mumble
What's her name? La-Min Moon?
Wow, so cute...
Isn't she a twin?
Does that mean there's another person likethat?

Hey, move, I can't see.
Who's Lime Moon?
Crowd
Is she pretty?
Crowd
Crowd
Is it her?
Is she pretty?

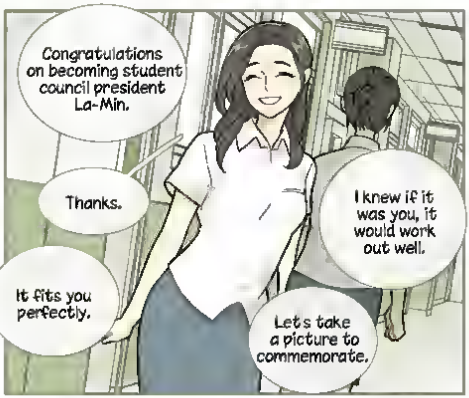
Whisper
She's Lime Moon?
YOU'RE KIDDING!!
Whisper

What a letdown. They're a different quality.
What a shame--
They must be fraternal.

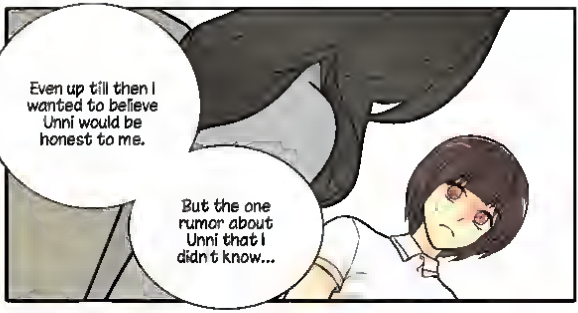
Wasn't she actually adopted?
Hahaha
Hey, she's going to hear you lol.

Teachers' Office
You're La-Min's mother, right?

Since La-Min has outstanding grades
you should send her to a foreign language school.

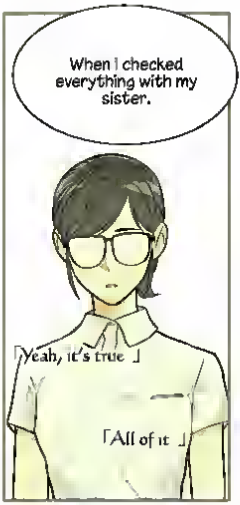


Congratulations on becoming student council president La-Min.
Thanks.
I knew if it was you, it would work out well.
It fits you perfectly.
Let's take a picture to commemorate.

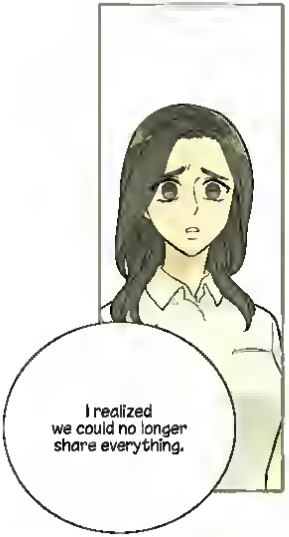


Even up till then I wanted to believe Unni would be honest to me.
But the one rumor about Unni that I didn't know...

I heard from my boyfriend.
「I didn't want to talk about it but... The rumors are right」
「Lime Moon confessed to me」



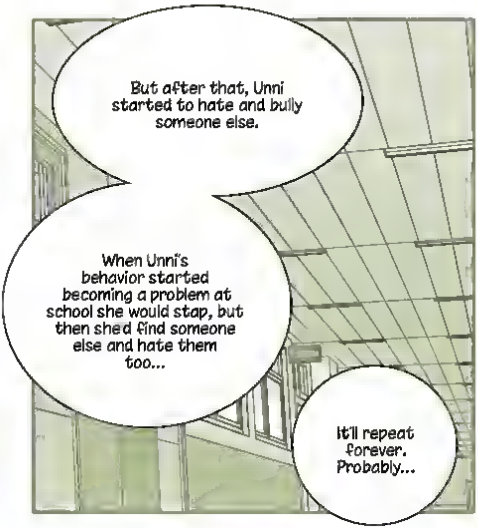
When I checked everything with my sister.
「Yeah, it's true」
「All of it」



I realized
we could no longer
share everything.

I tried to do
something,
but it was already
over...

Unni cried,
and in shock, I huddled up,
and even before I could forgive her, I comforted her and told her it was okay.

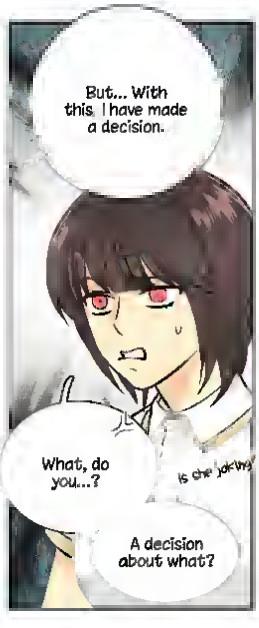


But after that, Unni started to hate and bully someone else.
When Unni's behavior started becoming a problem at school she would stop, but then she'd find someone else and hate them too...
It'll repeat forever. Probably...

Unni needs someone to hate.

That person just happened to be you this time.

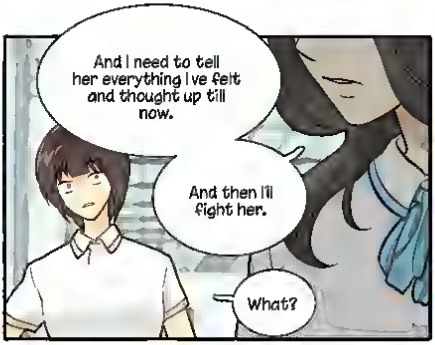
WHAT ARE YOU GUYS...?
Im sorry!
Im really sorry.



But... With this, I have made a decision.
What, do you...?
Is she joking?
A decision about what?

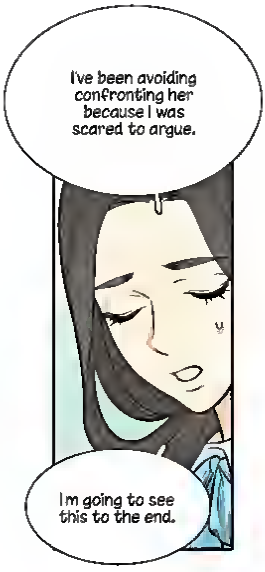
Oh, there were students in here?
Oh
Ah, sorry. We borrowed it for a while for a meeting.

These sisters are just...
I need to meet my sister.

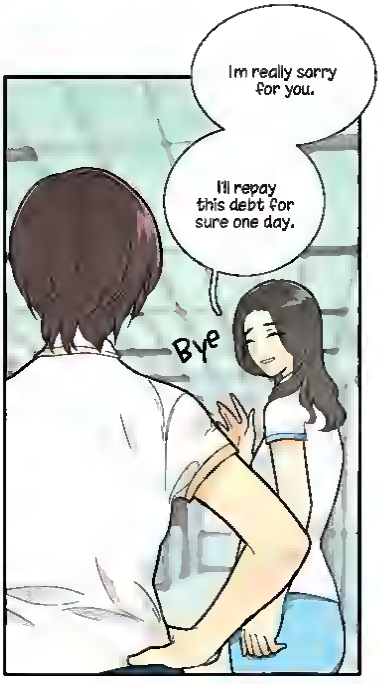


And I need to tell her everything I've felt and thought up till now.
And then I'll fight her.
What?

When I think about it, I never fought with my sister before.
Hey... Why are you trying to fight, don't do that.
No, I feel like we need to fight to make up.

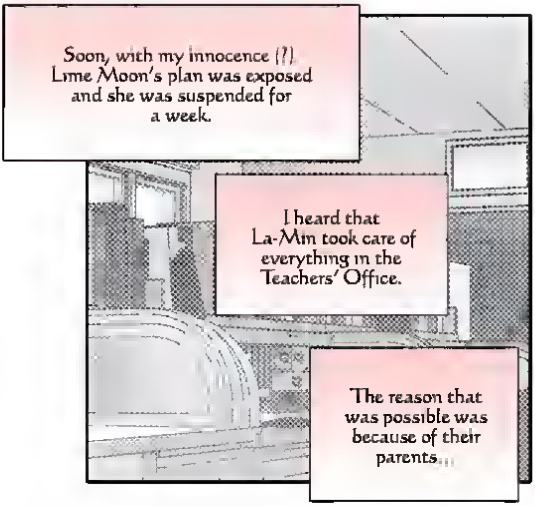


I've been avoiding confronting her because I was scared to argue.
I'm going to see this to the end.



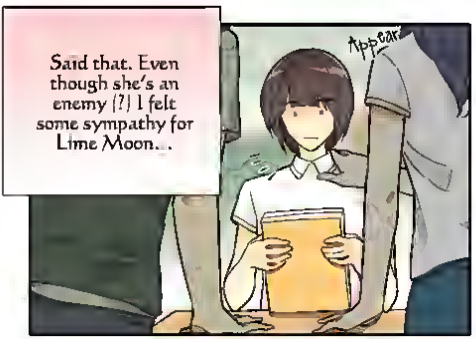
I'm really sorry for you.
I'll repay this debt for sure one day.
Bye

I don't know what debt she means, but if you're going to repay it, do it with money.



Soon, with my innocence (?) Lime Moon's plan was exposed and she was suspended for a week.
I heard that La-Min took care of everything in the Teachers' Office.
The reason that was possible was because of their parents...

「We don't care so do whatever La-Min wants.」



Said that. Even though she's an enemy (?) I felt some sympathy for Lime Moon...

Korean Honorifics Lesson!

Oppa - A friendly way of addressing an older man near your age if you're a girl
Oppa is also used (though not synonymously) by girls addressing their boyfriends

Nim - A formal way of addressing someone typically older and/or more respected than you

Ssi - A formal way of addressing someone you do not know or are unfamiliar with

Nuna - A friendly way of addressing an older woman near your age if you're a guy
Nunim - A more respectful way to say nuna

Hyung - A friendly way of addressing an older man near your age if you're a guy

Unni - A friendly way of addressing an older woman near your age if you're a girl

Ajumma - Older woman typically aged between mid/late 30's ~ early 50s. Calling someone younger than mid 30's this is rather offensive

Ajussi - Older man typically aged between mid/late 30's ~ early 50s. Korean men, especially those in their 30s prefer to be called hyung/oppa by those younger than him rather than Ajusshi

Sunbae - Is used to address senior colleagues or mentor figures e.g. students referring to or addressing more senior students in schools

Hubae - Is used to refer to juniors. However the term is not normally addressed to them directly, and is mainly used in the third person
This is nearly identical in Japanese with Senpai/Kohai honorifics

Naeuri - Was used by commoners in the Joseon Dynasty to refer to people of higher status but below "His Excellency"

Seonsaeng - Commonly translated as "teacher", has much more formality and is used to show respect to the addressee. It is related to the Japanese honorific "sensei" and shares the same pair of Chinese characters representing 'mister' or 'one born earlier' (literal)

It's about time you learn them!

Was I expecting a delivery?

International Mail...?

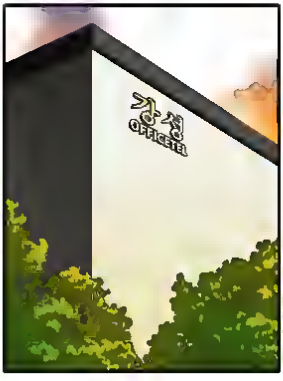
International
No way, is this package...



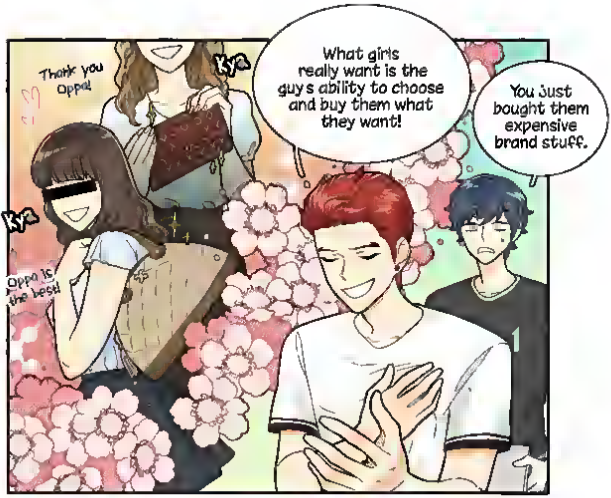
OFFICETEL

I think it's the first time I prepared for it like this...
What did you get her for her birthday up till now?

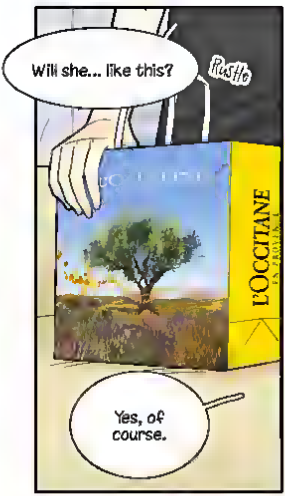
I was busy on her last birthday so I just bought her a meal,
I gave her a hair clip the day we started dating, a workbook on the 100th, a keyboard and mouse on the 200th...
One, two
One two three four
WHAT?!
THAT'S WHY YOU WERE DUMPED!

T/N: He is counting this in Chinese or how you would pronounce Chinese in Korean

In addition to that, when you ask girls what they want to eat and they say "whatever",
or when you ask them what they want and they soy, whatever's fine
it's a big no no if you take their word for it.
Smirk



Thank you Oppa!
What girls really want is the guy's ability to choose and buy them what they want!
You just bought them expensive brand stuff.
Oppa is the best



Will she... like this?
Rush
L'OCCITANE
Yes, of course.

It really smells nice though.
Sniff
Sniff
I should buy one too
Give it to her tomorrow.

...Won't I get treated like a stalker again?
She's gonna feel pressured about the present too...
Hm.

How about you do this?
Just hand it to her and...

...Um,

This is yours, right?
Huh...? No?
L'OCCITANE

The academy teacher said you left it.
I SAID IT WASN'T!
STOP LYING.
DO YOU THINK I'LL ACCEPT IT IF YOU SAY THAT?

It's not working, just as I thought
THE WAY YOU ACT NOW SCARES ME!
I DON'T WANT YOU TO CARE ABOUT MY BIRTHDAY!

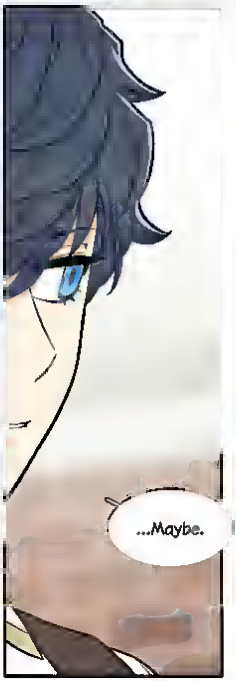
I don't like whatever you give me. It's going to be something crappy anyway...
At least take it.

If you check what it is and feel like you don't want to use it
you can return it then.
I'm going to wait here until you accept it.
Whisper
Whisper
Whoa

Fine, I'll just take it. But in return...

SFX: Snatch

What you said about dying before...
Don't say it again.

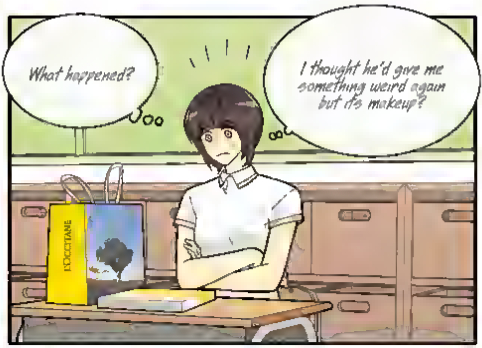


...Maybe.

Then I won't say it.
See you at school.

I won't say it? That's it?
Is he saying he's going to die without saying anything or what

I really hope he doesn't mean that...
It really scares me.



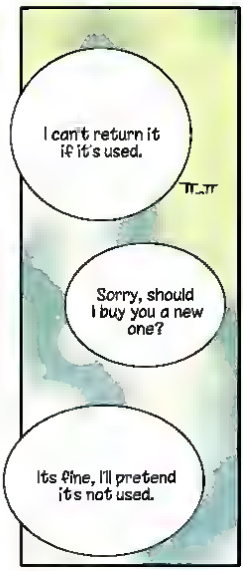
What happened?
I thought he'd give me something weird again but its makeup?
L'OCCITANE

Th-the design is cute~
The Sensorial Nourishment for Your Hands
5 × Indulgent Hand Cream
L'OCCITANE
EN PROVENCE
Did he really pick this? Seriously...?

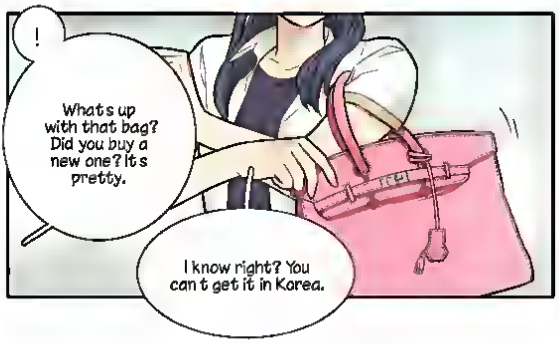
Is it really a lost item?
I want to keep it but... I should return it
HEY, BERRY SHIN~

Ah, Cherry, hi...
A package for you... huh?
What's this? You already got a present?
Grab
Ah, this is really nice.
Squeeze
D-DON'T!!

W-what? You have 6, don't be so stingy...
Mandarin Kim gave me that!
I was going to return it.
Oh, really?



I can't return it if it's used.
ㅠ_ㅠ
Sorry, should I buy you a new one?
Its fine, I'll pretend it's not used.

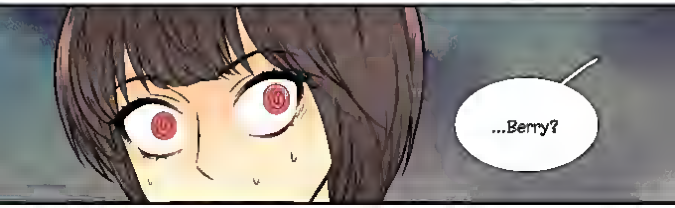


!
What's up with that bag? Did you buy a new one? It's pretty.
I know right? You can't get it in Korea.

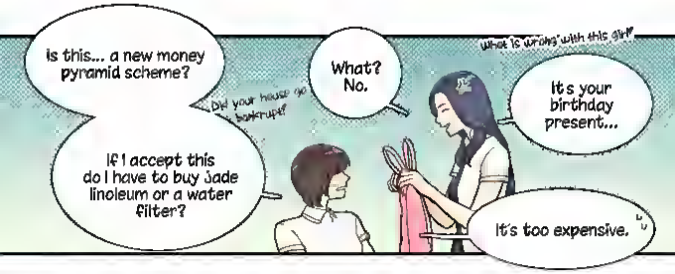
That's so cool- But you should hide that bag.
If the head teacher sees it, you're gonna get it taken away.
It's not mine. I came here to give it to you.

It's for you.
?!

HOW MUCH?!
This bag should be about XXX dollars.
The price will rise as time passes so you could use it as a financial investment.



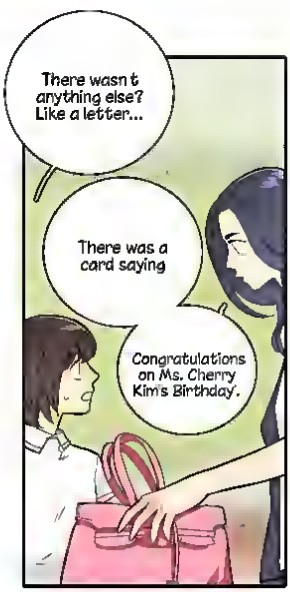
...Berry?



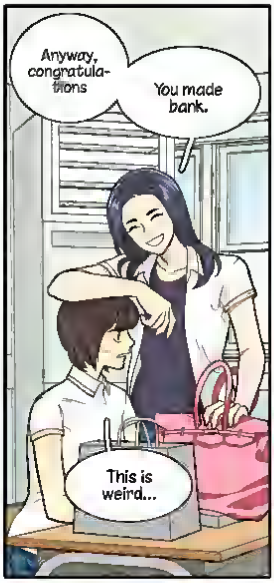
Is this... a new money pyramid scheme?
Did your house go bankrupt?
What? No.
What is wrong with this girl?
It's your birthday present...
If I accept this do I have to buy Jade linoleum or a water filter?
It's too expensive.

This isn't from me.

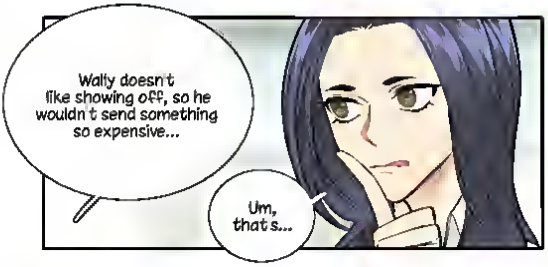
This is from Walnut. He sent it through international mail.
!



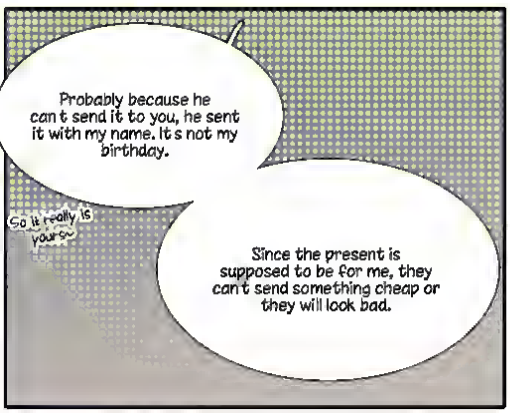
There wasn't anything else? Like a letter...
There was a card saying
Congratulations on Ms. Cherry Kim's Birthday.



Anyway, congratulations
You made bank.
This is weird...

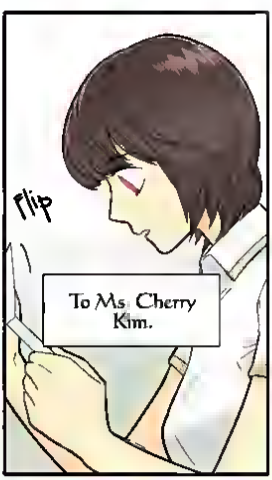


Wally doesn't like showing off, so he wouldn't send something so expensive...
Um, that's...



Probably because he can't send it to you, he sent it with my name. It's not my birthday.
So it really is yours~
Since the present is supposed to be for me, they can't send something cheap or they will look bad.

Here, I'll give you the card that came with it.
Happy Birthday!
I'll give you my present after school so look forward to it. ♡
Yeah...
I'm scared for some reason



Congratulations and happy birthday

I enjoyed our meeting before.

HEY LISTEN!
BERRY ACCEPTED MY PRESENT!

It's amazing, right? Right?
This is an improvement right??

What happened? Your face looks like shit.

Can I meet with you soon?
Walnut...

Might be returning sooner than I thought.
It won't take long.

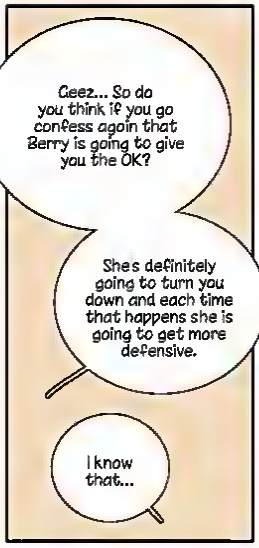
Even so, it's still too early to confess to Berry.
OFFICETEL
Let's wait until Walnut goes back.

He'll return after stoying for a week or two...
I want to confess.

Where you even listening to what I was saying?
You and Berry have a long way to go to work things out...
I don't like that Walnut Kang is Strawberry Shin's boyfriend.
What?



Geez... So do you think if you go confess again that Berry is going to give you the OK?
She's definitely going to turn you down and each time that happens she is going to get more defensive.
I know that...

BUT I DON'T LIKE THAT BERRY IS PLAYING AROUND WITH A GUY LIKE WALNUT KANG!
THE ONE THAT STRAWBERRY SHIN LIKES IS ME!

Um... so... i get what you're trying to say but,

I'm going to borrow this- Bye.

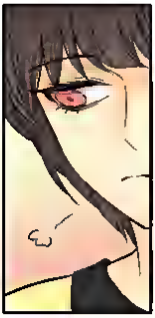
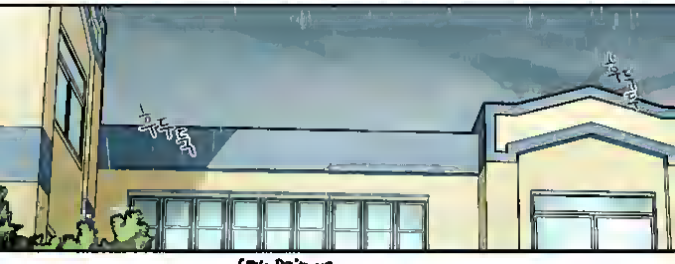
I HAVE TO RETURN THAT...!
Why is everyone being like this?
Ahhh

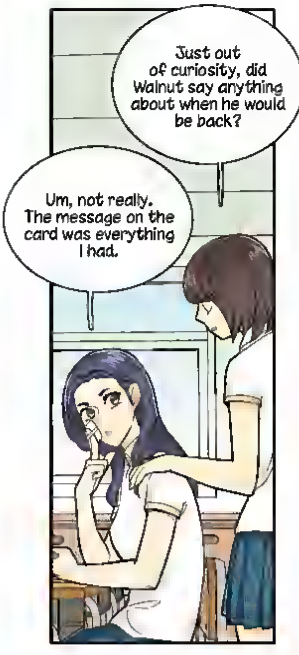


Walnut Kang, you stupid idiot.
I don't need an expensive bag like that.

I miss him



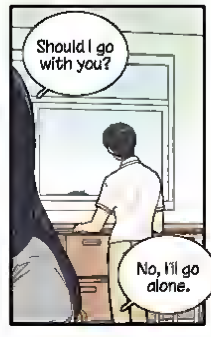
SFX: Drip x2



Just out of curiosity, did Walnut say anything about when he would be back?
Um, not really. The message on the card was everything I had.

Aside from that, you don't look so good, are you ok?
Ah... I'm having cramps.

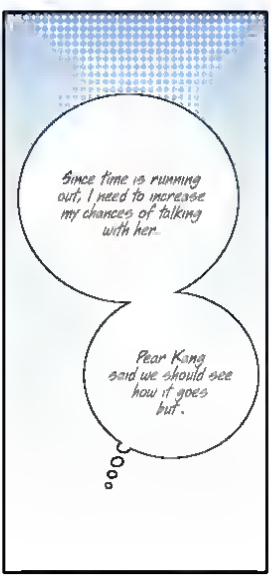
Ask for some painkillers in the nurse's office.
I should do that.



Should I go with you?
No, I'll go alone.

Ok, see you later~
Yeah.
Sprout!
Jump

Nurse's office...
Who is this kid. That scared me.



Since time is running out, I need to increase my chances of talking with her.
Pear King said we should see how it goes but.

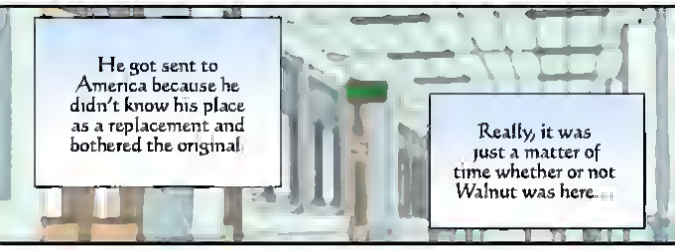
It's obvious that if that Walnut Kang bastard returns he'll get between me and Berry!
Kyaa Suck-O
Hmmm!

That wannabe is getting all close with Berry...
TSK

Honestly, I'm not that scared of Walnut Kang

The only reason why Berry wanted to break up with me was because of my behavior and ...

Walnut Kang was only my replacement to fill the hole in Berry.



He got sent to America because he didn't know his place as a replacement and bothered the original.
Really, it was just a matter of time whether or not Walnut was here...

Me and Berry would have naturally grown back together.
Oh, is it Darin?

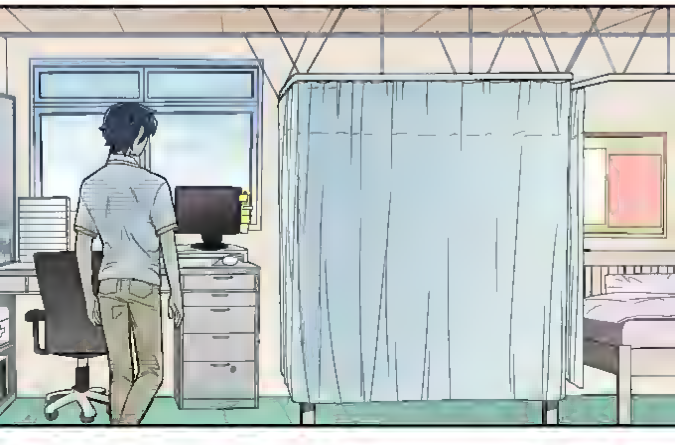
Does something feel wrong?
Ah, I'm not feeling very well but...
it's not enough that I need medicine, so I'm just going to lay down for a bit.

Where you out in the rain or something?
I have to get to a class, go in and rest.
Don't stay too long though.
Yes~

I'll start a conversation naturally and try not to surprise her
Sneak

Where is Berry...

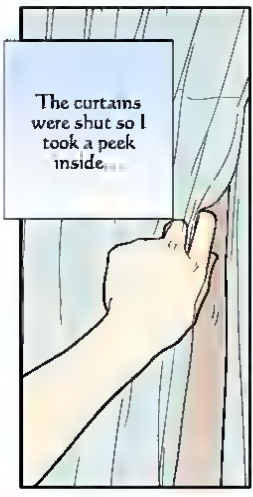
...Son



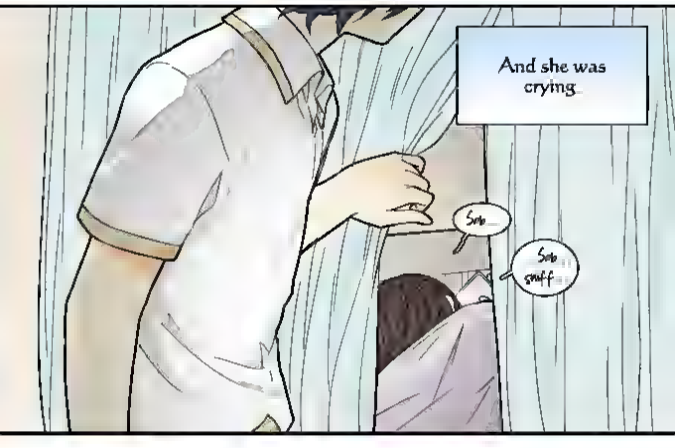
Huh?

Is that all? You said you'd talk to her.

What did you see that made you go back without saying anything?
Nothing much.

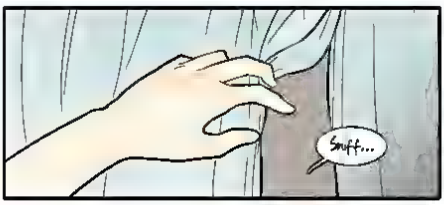


The curtains were shut so I took a peek inside...

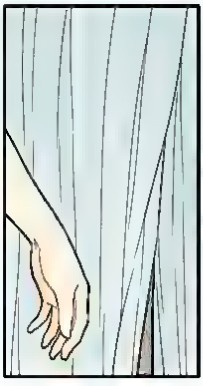


And she was crying...
Sob...
Sob sniff...

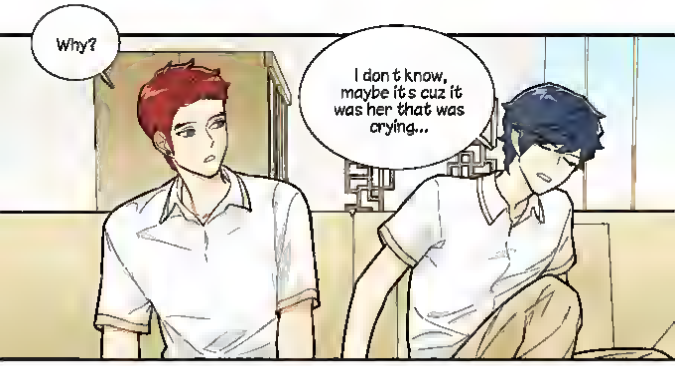
I thought I could comfort her and win some points, but....
Sob
sniff
Walnut...
sniff



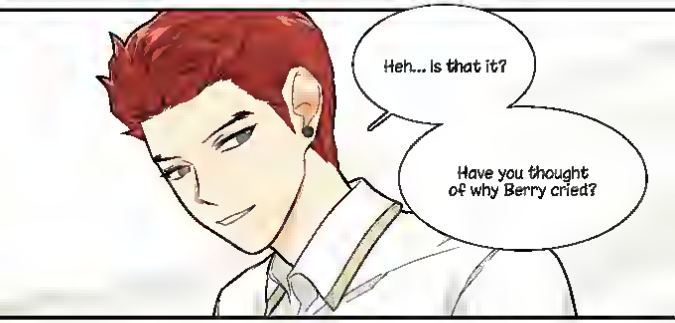
Snuff...



But I got pissed
for some reason

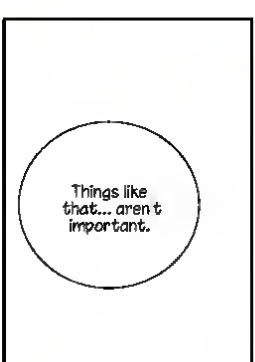


Why?
I don't know,
maybe it's cuz it
was her that was
crying...



Heh... Is that it?
Have you thought of why Berry cried?

Oh, he got mad
...!



Things like that... aren't important.

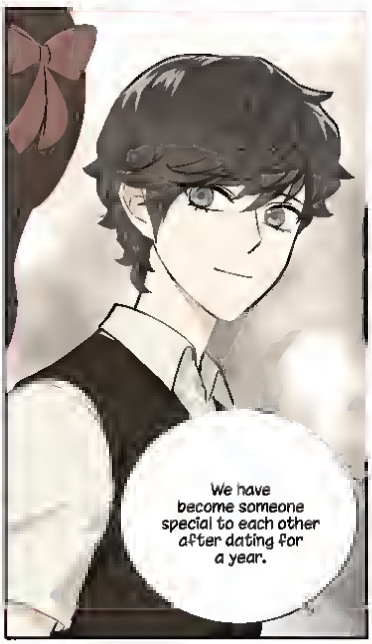
There is a bond between me and Strawberry Shin that Walnut Kang doesn't have.



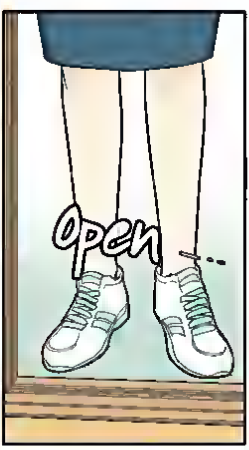
We have become someone special to each other after dating for a year.

Cherry Boy, That Girl

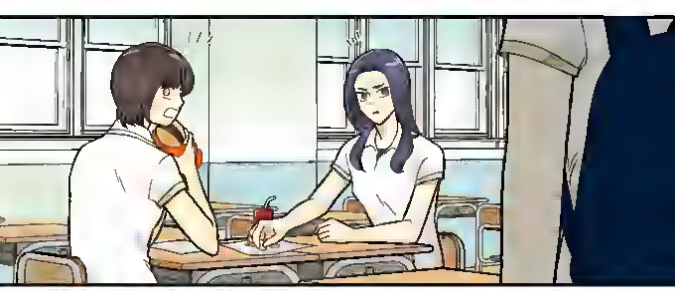
Chapter 83

That day
came quickly

You didn't eat
breakfast?
Yeah
Munch



Open...



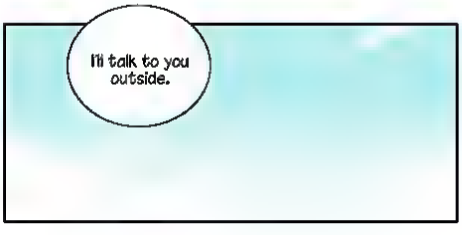
!
So today's the day her suspension is over...

Strawberry Shin, talk with me for a sec?

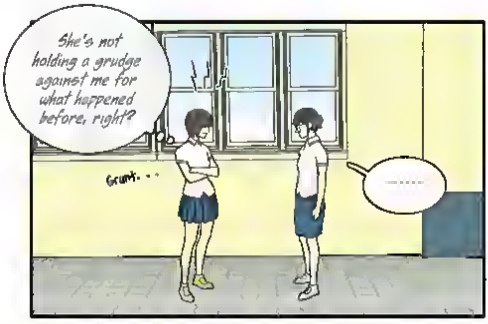
Hey, after causing that much trouble, it's time for you to back off.
So persistent
You want to get suspended again?

...Cherry Kim. This isn't your class,
and that desk is my seat.
Push
Hey, it's fine if I move!
Don't be rude to Berry, okay?

...
What do you need to tell me?
Hey, don't listen to her too much.



I'll talk to you outside.



She's not holding a grudge against me for what happened before, right?
Grunt...
.....

I'm sorry.

???

What is going on?
Wa, hey!
Where are you going?

To the classroom.
That was all I had to say.

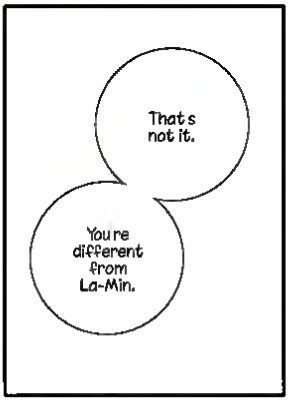
...No way
Is La-Min making you apologize?

...Something like that.
Of course that's it.
I don't need an apology now.

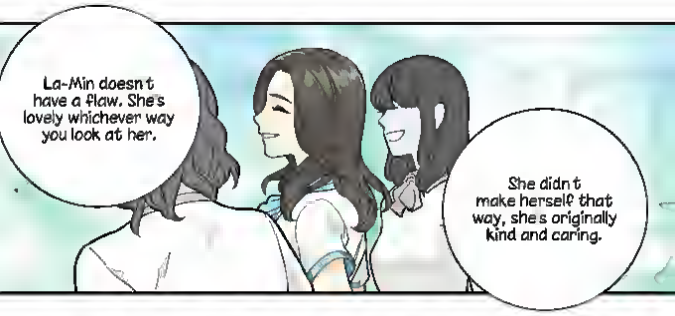
Just stop projecting your sister problems onto me and harassing me.
!
Did you think I wouldn't know?
Even though I didn't know.

I do what...?
Projecting La-Min onto you?

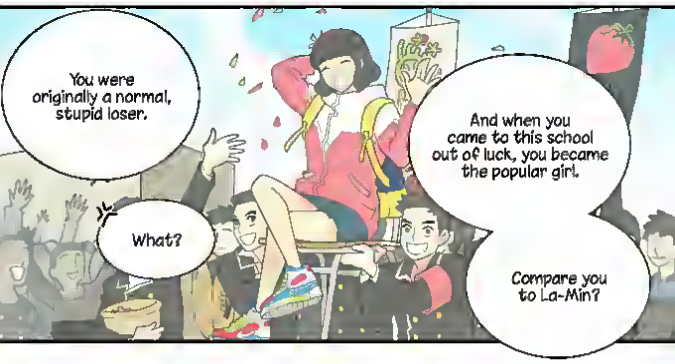
Yeah!
La-Min told me...
La-Min... Thought of it that way.



That s not it.
You re different from La-Min.



La-Min doesn't have a flaw. She's lovely whichever way you look at her.
She didn't make herself that way, she's originally kind and caring.



You were originally a normal, stupid loser.
What?
And when you came to this school out of luck, you became the popular girl.
Compare you to La-Min?

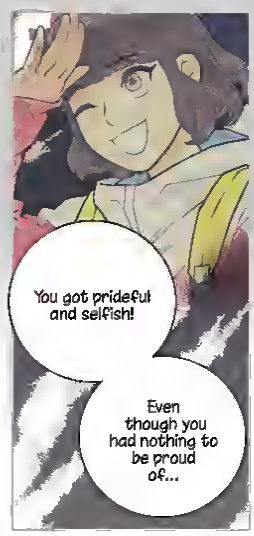
Learn your place. You're mistaking something greatly.
Point
It was what your younger sister said!
What exactly are you trying to say?

At first, you were normal.
Remember?

To say I'm cute... It makes no sense. Right? It got better after I lost weights, that's all...
Haha
My boyfriend is prettier than me. It's embarrassing though...
A loser with no self-esteem or pride, like me!

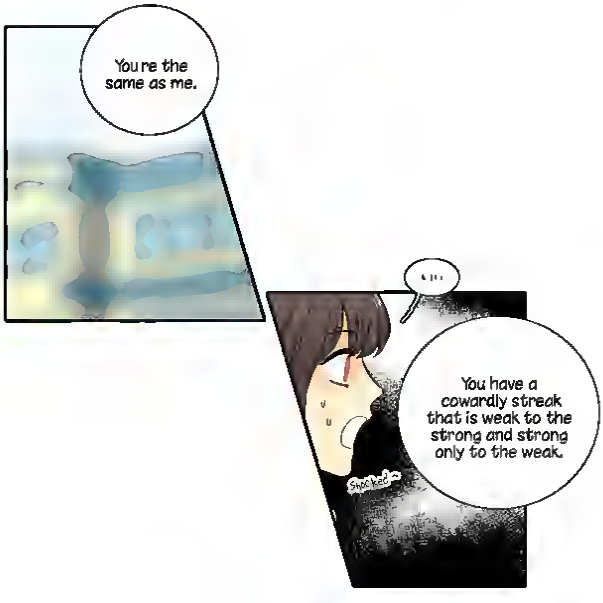
But then...

After all the praise from the boys, you changed.



You got prideful and selfish!
Even though you had nothing to be proud of...

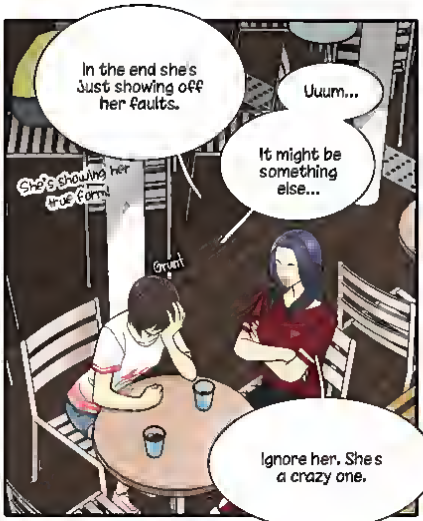
La-Min is smart and kind and caring,
Ha
Just what exactly do you have in common with her?!



You're the same as me.
...!
You have a cowardly streak that is weak to the strong and strong only to the weak.
Shocked

I like La-Min.
That's why I won't do anything to you anymore.
Even so, I really hate you.
That won't change.
...

What's with that girl?!
BUCKS COFFEE



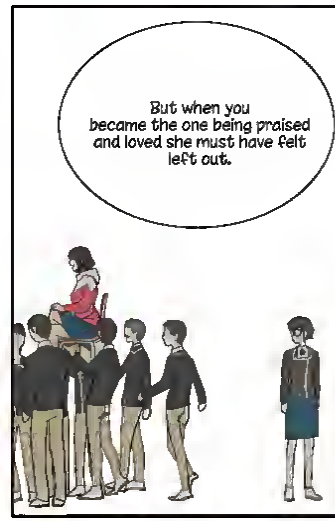
In the end she's just showing off her faults.
Uuum...
It might be something else...
She's showing her true form!
Grunt
Ignore her. She's a crazy one.

It seems she didn't hate me from the start but how did it end up like this?
Did I really do that much wrong?
I just don't understand.
You don't need to understand her.

She doesn't hate you, but the reflection of herself she sees in you.

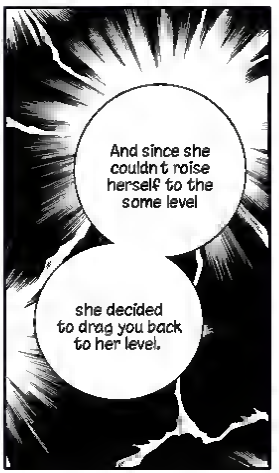
?
What are you talking about?
You know, there's something like that.
??

Lime Moon said that you were similar to her.
To say it clearly "You are the same level as me. Or something like that.

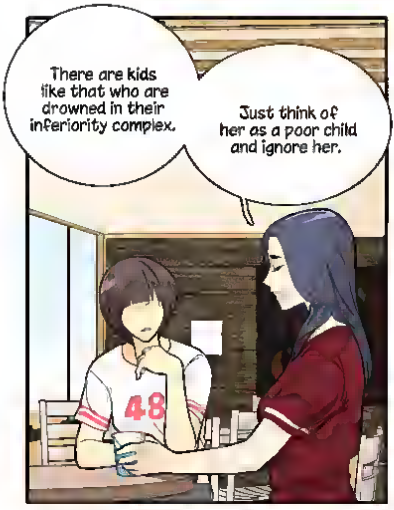


But when you became the one being praised and loved she must have felt left out.

She already had enough inferiority complex from her sister.
That much is obvious considering that La-Min is so perfect that it makes me want to puke.
She couldn't accept that.
To think that the girl she thought was similar to her could be so loved.

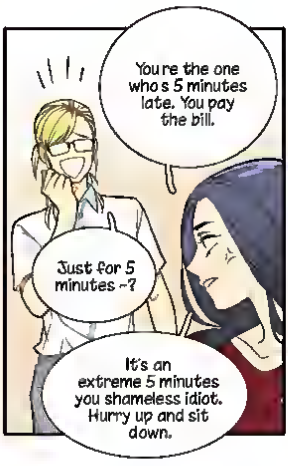


And since she couldn't raise herself to the same level
she decided to drag you back to her level.

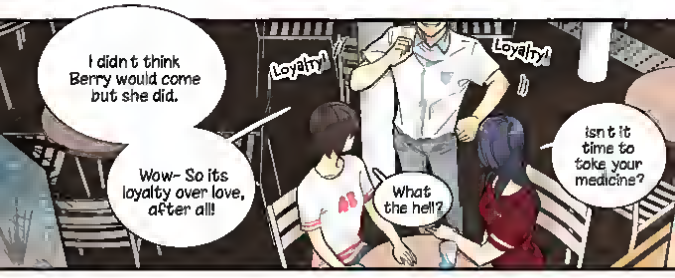


There are kids like that who are drowned in their inferiority complex.
Just think of her as a poor child and ignore her.
48

You guys came early?



You're the one who's 5 minutes late. You pay the bill.
Just for 5 minutes ~?
It's an extreme 5 minutes you shameless idiot. Hurry up and sit down.



I didn't think Berry would come but she did.
Wow- So its loyalty over love, after all!
Loyalty!
Loyalty!
What the hell?
isn't it time to take your medicine?

No .. Even if this appointment was first, shouldn't you be missing him a lot by now?

Friends over guys
that kind of loyalty is beautiful....
Pond
Pond
48

Ah, so what are you talking about?!
Just spill it, you bastard!
PUNCH
Ouch!

What do you mean? Maybe not you, but Berry should have at least heard something.
Heard what?
Don't hit me!

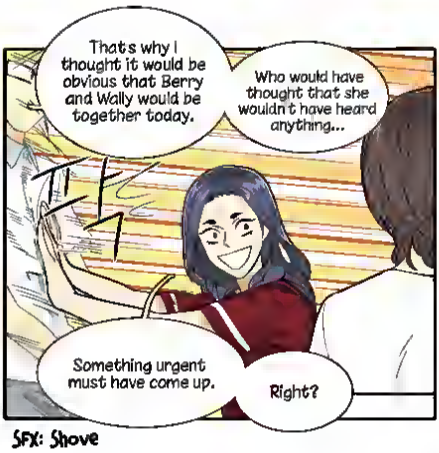
STARBUCKS COFFEE
What do you mean, Walnut is in Korea...?

Don't go around spreading whatever rumors you've heard anywhere.
Don't hurt me!
It's not that! Why can't you just believe me??

I went to Japan with my mom recently.
But I saw a bunch of bodyguards going around in crowds and when I looked over to see what it was,

who else could it be but Walnut Kang?
He could be a celebrity

PR/N The largest airport in South Korea



That's why I thought it would be obvious that Berry and Wally would be together today.

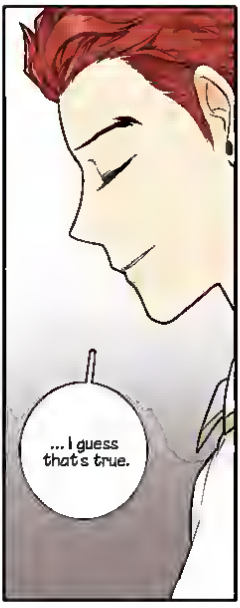
AH, YOU SURPRISED ME!
WHAT ARE YOU DOING WITH THE LIGHTS OUT?

I had something I needed to think about.
What is it? Something didn't go well with a girl?
No...

Just, it feels like other people are planning my future.
You're joking!
Heavy is the head that wears the crown.
You have so many complaints for someone who was born with a silver spoon in their mouth.
What do you have to complain about when you're life is so comfortable?



... I guess that's true.

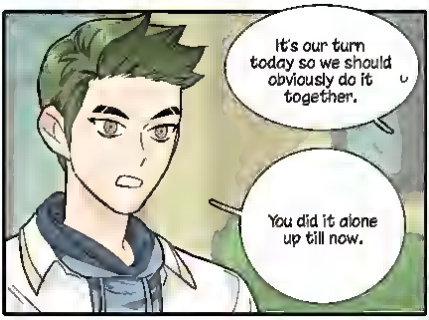
Walnut just arrived in Korea.
Aaaah
Ah
Then Strawberry Shin should be with Walnut Kong by now?!
Ugh... So he came.

No, calm down. Walnut shouldn't be able to get out of the main house for a while.
You should go see Berry.
Huh?
Really?

He'll be caught at the main house for about 3 days.
You'll never have a chance like this again.

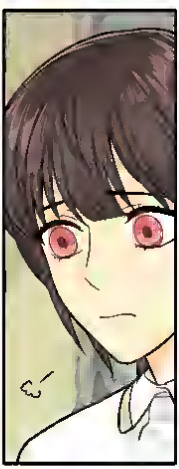
Try snatching up Berry while she's feeling lonely and abandoned.

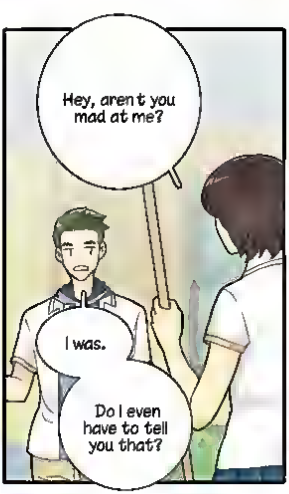
Strawberry Shin, are you feeling sick?
Huh? No.
Just tell me if you're sick. I'll do the rest.



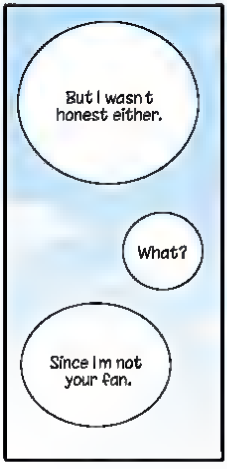
It's our turn today so we should obviously do it together.
You did it alone up till now.

I understand you laying low since the things you did
but that doesn't mean it looks good if you act subservient.

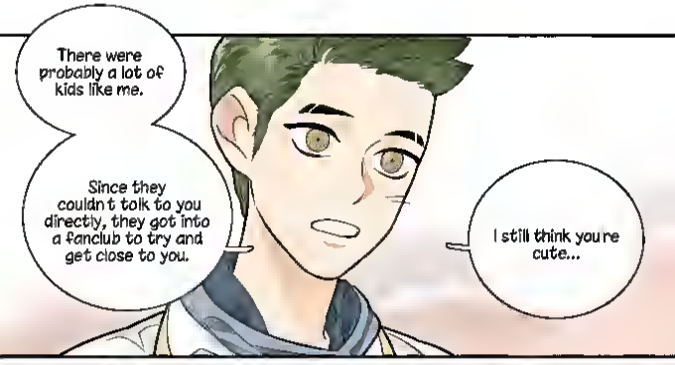




Hey, aren't you mad at me?
I was.
Do I even have to tell you that?

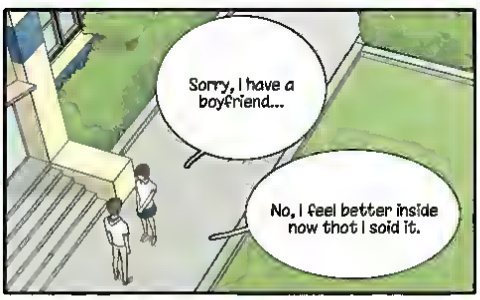


But I wasn't honest either.
What?
Since I'm not your fan.



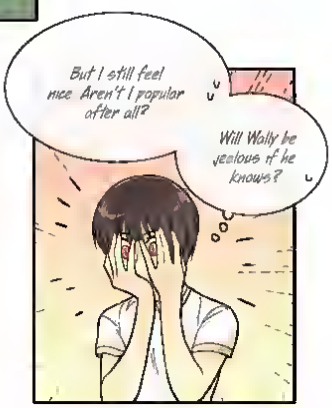
There were probably a lot of kids like me.
Since they couldn't talk to you directly, they got into a fanclub to try and get close to you.
I still think you're cute...

Um... so the thing is...
It's weird saying it now but...
I liked you.



Sorry, I have a boyfriend...
No, I feel better inside now thot I soid it.

It's a hard thing, rejecting people



But I still feel nice Aren't I popular after all?

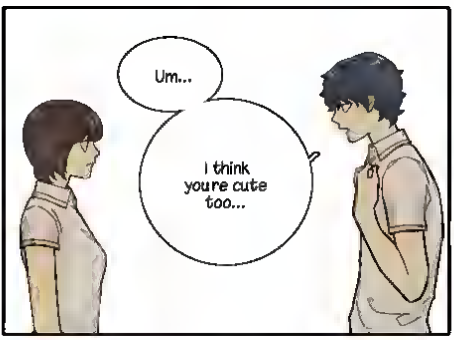
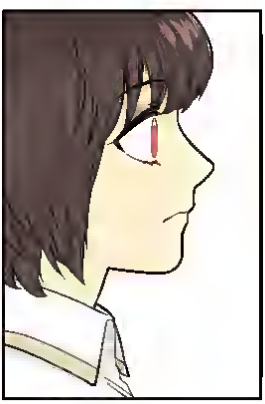
It's a matter of courtesy, ok?
Alright.



Um...
I think you're cute too...



Are you sick?
For example, your head...
It doesn't work.

Oh yeah, this. It's the money for the cosmetics.
I gave it to you why should I...
Count it.
I don't want anything from you.

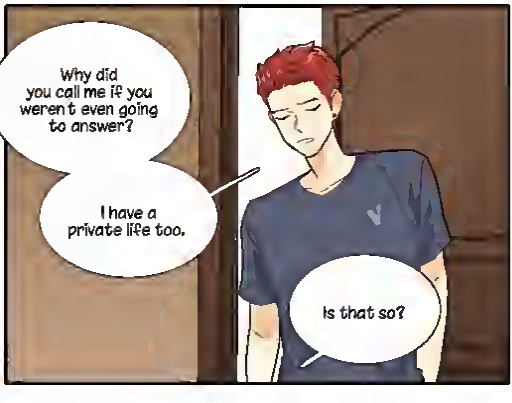
Let's move this quickly and go back in.
Huh? Oh, ok...

Auntie, its Pear Kang.
Knock Knock
I heard you called me.

NO ANSWER.
I'm coming in?

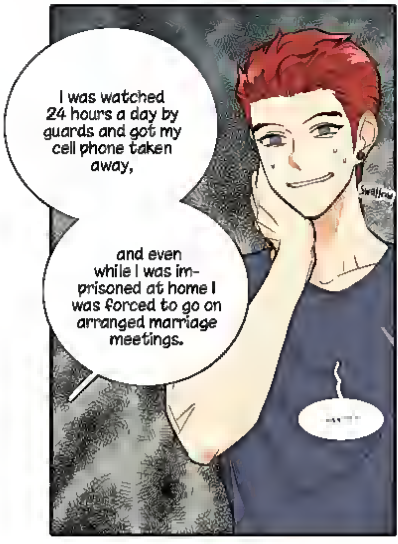


Why did you call me if you weren't even going to answer?
I have a private life too.
Is that so?

I'm very curious as to what that private life consists of.

Would you like anything to drink?
Ah, no...

I knew you were in the country but I didn't know you were already at the main house.
Long time no see. Oh yeah, how was America?
It seems you are well, that's good.
It was fine.



I was watched 24 hours a day by guards and got my cell phone taken away,
and even while I was imprisoned at home I was forced to go on arranged marriage meetings.

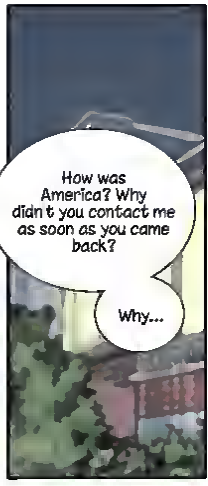
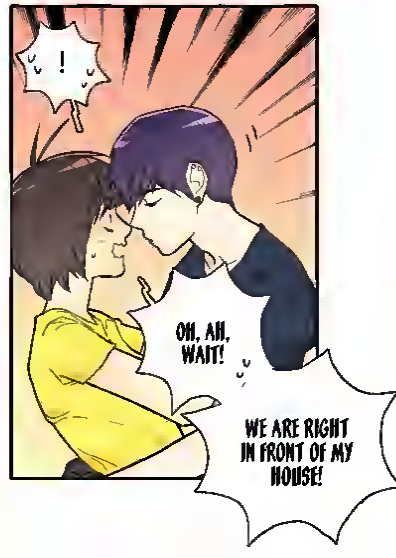
I'm happy.

I heard from Cinna...
You came the day before yesterday? How've you been?



How was America? Why didn't you contact me as soon as you came back?
Why...



!
OH, AH, WAIT!
WE ARE RIGHT IN FRONT OF MY HOUSE!

SFX: Push

Why...
Are you refusing?

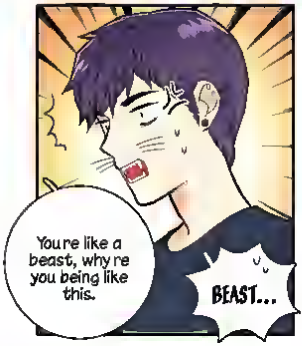
SFX: Cough

THIS IS IN FRONT OF MY HOUSE!
WHAT ARE YOU GOING TO DO IF WE GET CAUGHT...?

Maybe it's because you were in America.
You've become really shameless, how do I say it, you're making it too obvious!
Dear me
Dear me
SL
AM
Making it too obvious...
I've never heard that in my entire life!

I was being like that because I missed you, aren't you being too cold?
Like I've been telling you, it's in front of my house.

I'm still disappointed.
Pinch
D-don't.



You're like a beast, why're you being like this.
BEAST...

Fine, fine.
The beast is leaving now.
Turn
Bye.

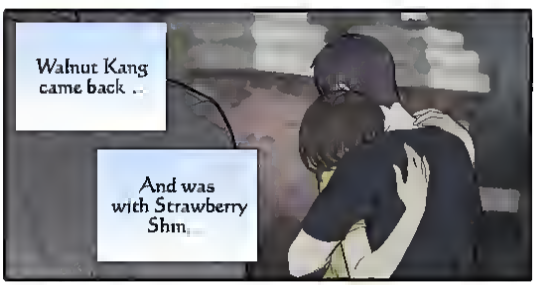
What?
DON'T LEAVE!
You said you didn't like me.

WHO SAID I DIDN'T LIKE YOU?! I-I REALLY MISSED YOU.
I DIDN'T MEAN IT LIKE THAT. DON'T GO.

Ok.
Chuckle
I missed you a lot too.

SFX: Dizzy

What did I see just now?



Walnut Kang came back ..
And was with Strawberry Shm

Why couldn't I stop them?
I could have ruined everything like usually

아앗!

SFX: Still

Strawberry Shim...
Can make this kind of expressions too...

경찰
OFFICETEL
I've never seen it before.

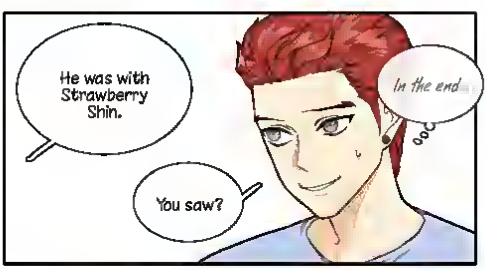
You're back?
Yeah...
How'd it go?
What did Sage say?

But since I liked you, I liked being together.
Thank you for telling me honestly.

...She said thank you.

What's that all of a sudden?
??
Ah, I don't know. Why would I know?

Oh yeah,
I saw Walnut Kang.
Pinch

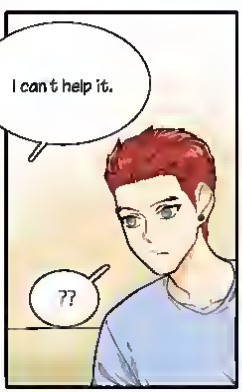


He was with Strawberry Shin.
In the end...
You saw?

I was going to tell you first...
That's why you look so down.

Poor guy... Here, let it out if you need to cry.
I'll pat your back.
Go away.

I don't need it. Since I won't cry.
You cried at the stroke of a feather till now. You're going to explode if you hold it in.



I can't help it.
??

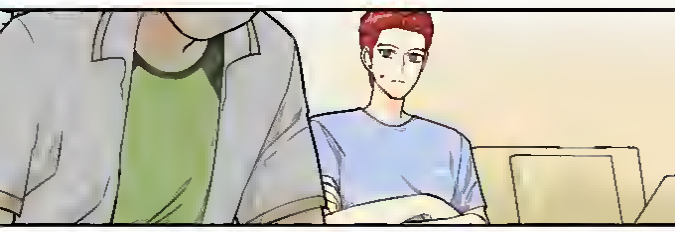
If I cry now...
...
I feel like I'm going to end up giving up.

...Isn't that also a good conclusion in itself?
NO!!

THEN WHAT WILL BE LEFT FOR ME?!
THERE'S NOTHING FOR ME!

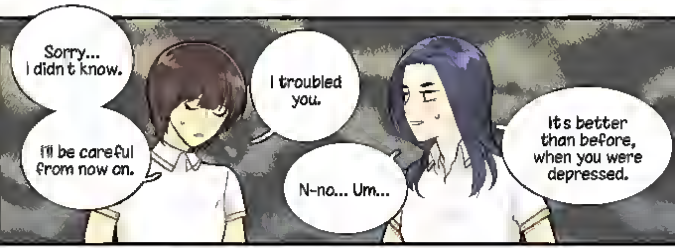
SFX: wipe x2

I CAN'T GIVE UP.
NO MATTER WHAT!



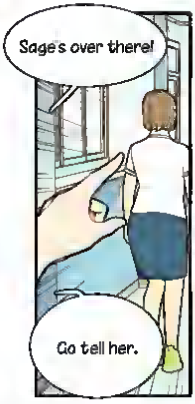
SFX: Hehehehehe

Yeah, so continuing on from what I was telling you before,
yesterday Wally- just grabbed my hand tightly-
Flap
Flap
Flap
Flap
Flap
If you say one more word about that I will bend your back into the shape of a heart.
You know you've talked about nothing but Walnut all day?



Sorry... I didn't know.
I troubled you.
It's better than before, when you were depressed.
I'll be careful from now on.
N-no... Um...

Oh yeah! Wally said this too!
The thing is he...
This is annoying~
AAAH~



Sage's over there!
Go tell her.

Should I do that~♫
It's fine as long as it's not me.

Sage!

Turn

Did she not hear me?
Sage!

Can she not hear me because I'm too far away?

Turn
Sa...

No matter how you look at it.

Sage ignored me...

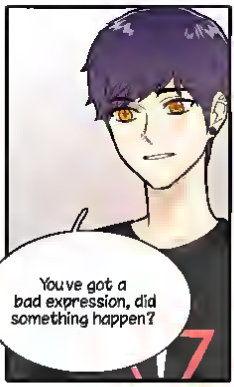
Chapter 87

DOM N DOMS COFFEE
DOM N DOMS COFFEE

...rry.

Berry?
Huh?

What has you thinking so hard that you can't hear me?
When did you get here?
Just now.



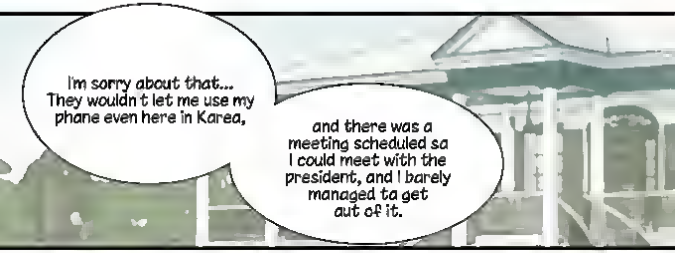
You've got a bad expression, did something happen?

I want to tell him...

But I think it would sound like talking behind Sage's back.
It's nothing.
Really?

That aside, I forgot to mention it last time because I was in shock but
I'll ask you now.
Huh?

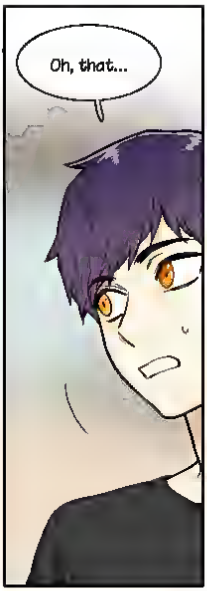
You're too much!
WHY DIDN'T YOU CONTACT ME IMMEDIATELY AFTER YOU CAME BACK?
Waaa!
I had something to talk about with the household so...
HOW SERIOUS WAS IT THAT YOU COULDN'T EVEN GIVE ME A CALL?



I'm sorry about that... They wouldn't let me use my phone even here in Korea,
and there was a meeting scheduled so I could meet with the president, and I barely managed to get out of it.

I worked hard because I wanted to see you too...
Please understand.
Still...

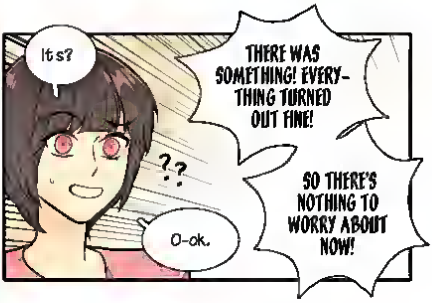
But,
how did you convince your household?
Flinch



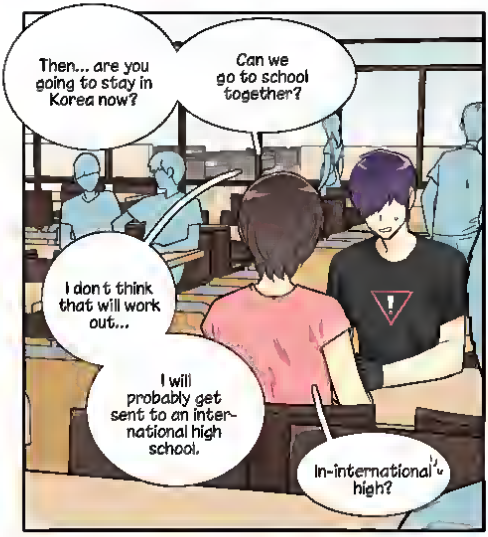
Oh, that...

Oh it was... Nothing much...
?
What do you mean?
??
Why's he like that?

Ah, he's red
It's...
STEAM



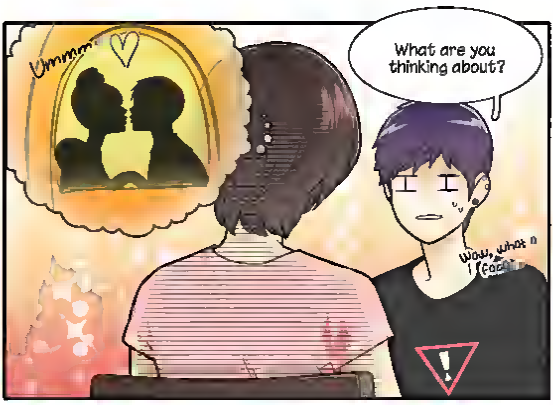
It's?
THERE WAS SOMETHING! EVERYTHING TURNED OUT FINE!
??
SO THERE'S NOTHING TO WORRY ABOUT NOW!
O-ok.



Then... are you going to stay in Korea now?
Can we go to school together?
I don't think that will work out...
I will probably get sent to an international high school.
In-international high?

Isn't that the kind of school you can go to only if you lived in a foreign country?
Oh, I was born in America.
I lived there till I was 10.

T/L Note "Mom's friend's son" is a common phrase in Korea used to describe the kind of kids your mom always compares you to "My friend's son got straight As, a full scholarship, a 4.0 GPA, and aced the SATs." That sort of comparison is pretty common in Korea



T/L Note: Couple rings are common in Korea. It's a ring to symbolize the couple is dating so they tend to be cheaper than engagement rings or wedding rings.

Why get a ring when it won't show even if I wear one.
Since I wear gloves
Whine
Whine
Whine

Even soooo~
I didn't get to do a couple ring with Darin either.

With Darin...

Sure. Let's go buy one.
STOMP

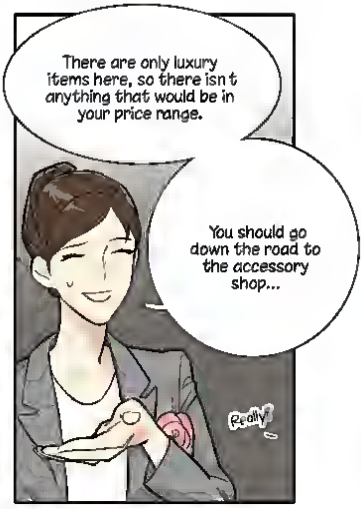
LUXURIES
JEWELRY & DIAMOND

Are you looking for anything in particular?
I want to get a couple ring, I would like some recommendations.
Whoa
Ah, um... That might be a little difficult...



There are only luxury items here, so there isn t anything that would be in your price range.
You should go down the road to the accessory shop...
Really

Whoa, this is pretty. How much is it?
Haha
Um, Miss, that is a diamond so...
IT'S EXPENSIVE..

It's pretty...
This, and that, they're all pretty.

They're pretty! Right?
I want it~
It doesn't matter if you act cute!

You exactly...

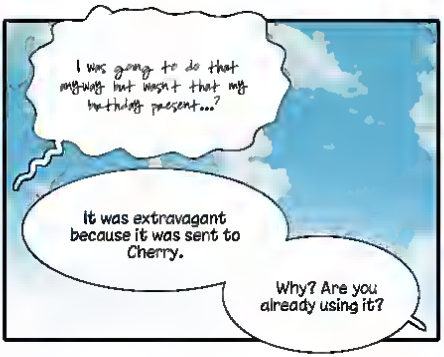
Isn't a diamond ring too much when you're still a student? What state are your finances in?
Aside from all that, you don't have any money to buy that.
What are you going to do if you lose it or it gets stolen.
SFX: Poke x3

Oh yeah, Berry was always like this...
She seems to want me to buy it for her.
Vain and materialistic....
It's not going to work.

My monthly allowance is 200 dollars counting transportation fees.
I definitely can't buy that ring.

SFX: Siiiii6666h

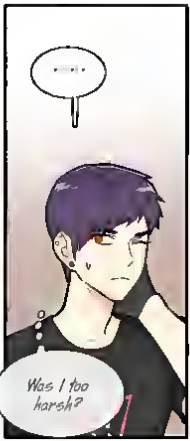
Oh yeah, return that bag I gave you through Cherry.



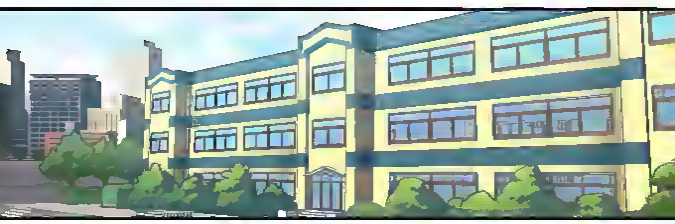
I was going to do that anyway but wasn't that my birthday present...?
It was extravagant because it was sent to Cherry.
Why? Are you already using it?

Yeah, well it didn't fit me anyway.
I'll give it to you next time.

Where are you going.
Aren't you going to find a ring?
No it's fine.
I think we'll be fine without one.

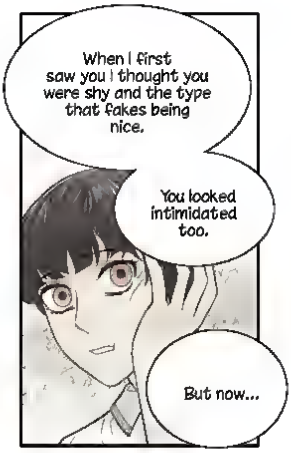


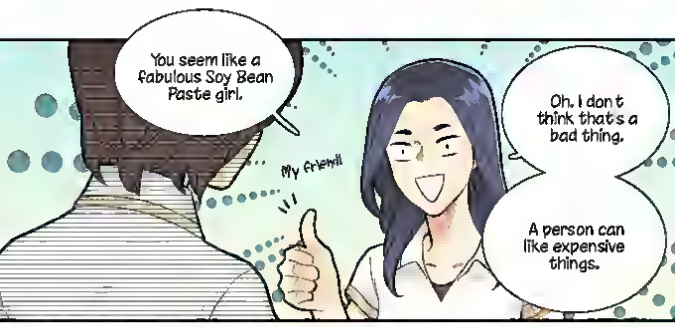
Was I too harsh?



You should break up.

The ring aside, asking for the bag in such a situation,
all I can say is that he has no tact.
After staying in America for months.



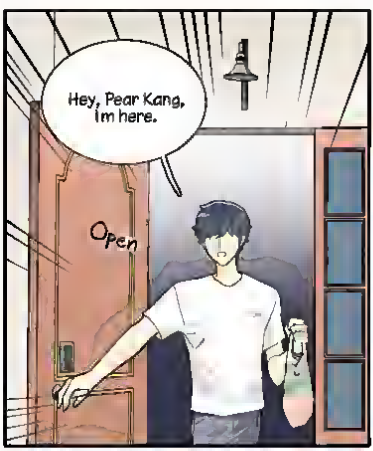


T/L Note: Soy Bean Paste Girl is a nickname that is given to girls in Korea who are obsessed with brand names and looking good. (Fully equipped with designer brands, etc.)

Haha you dog of materialistic society!
Slap
I did want a couple ring but I wasn't thinking of asking him to buy it for real...
I just wanted to act cute and play a joke on him.

I didn't like how Walnut was acting, he was like a teacher...
Ah~ Let's stop.
I'm a single so I don't have time to listen about other people's boyfriends.
Let's just go home.

T/L Note The weird order on the keypad is an extra security measure that a lot of Korean digital door locks have an option for. Basically, the number pad changes the order of the numbers every time they try to open it so that people can't memorize the code from a distance from how your hands move



T/L Note: A hot bar is a popular Korean sausage snack on a stick.

SFX: Swing

MPH!
MPH?
Shh!
Be quiet!

SFX: Slap

You can't come today, I sent you a text!
Dude, I come every day, why can't I come today?!

Whatever, Just shut it and go.

Is this how you treat a guest?

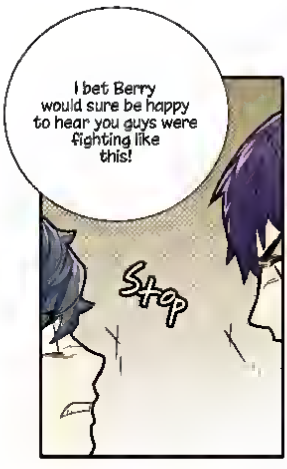
It was an extreme coincidence that he happened to come over to our hause!

Then send him out quickly.
Did you go on the arranged meetings in America?
You're still dating Berry after that?

Must be nice.
You'll play around with Berry for a while and then go study abroad in some prestigious school.

Being 3rd in line for the inheritance must be nice. You can have a girlfriend and a fiancé. Must be nice ta be you.

YOU BASTARD...
HEY, STOP!
SFX: Grab



I bet Berry would sure be happy to hear you guys were fighting like this!
Stop

Hyung, exactly why is he...
I know,
I'll explain properly but let's let him go first.

Wow, I'm scared. If there was something you didn't like, you'd hit Berry too, huh?

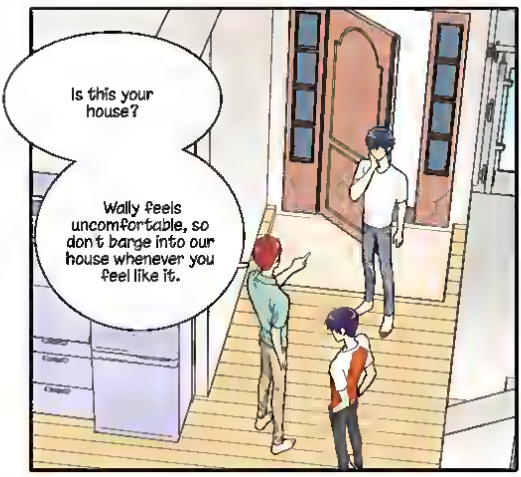
SFX: CRASH
THAT IS SERIOUSLY-!
Walnut, calm down!

And Darin.
Tsk
Don't come here whenever you want anymore.
What?



Is this your house?
Wally feels uncomfortable, so don't barge into our house whenever you feel like it.

.....
I'm going to change the password too.

Are you playing with me?
Usually you ask me to come over so I...

Just let this go,
right?
Let s have
a talk.

There's something I have to clear first but,
you are the one who sent me to America, right?
You're right.
Did you try to separate me and Berry?
...Yeah.

Then there's only one person who benefits from me and Berry breaking up.

You're not even denying it.

Hyung you swing that way?
THAT'S NOT TRUE!
IT'S NOT TRUE!
I'm completely shocked...
I SAID IT'S NOT THAT. LET ME EXPLAIN!

ME, I'M THE PEAR KANG!
DON'T GET ANY WEIRD MIS-UNDERSTANDINGS.

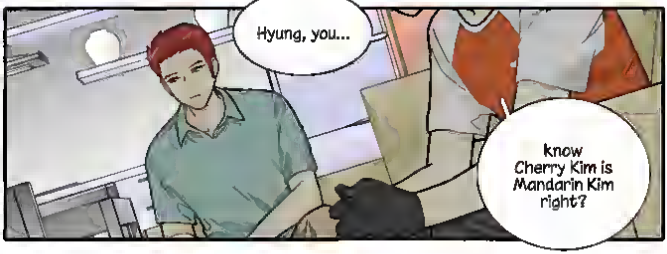
Then why did you do that to me?
Cold
You betray your cousin for an under classman with no ties to you?
Has nothing to say
Ugh.

I have my own reasons for that.
It's not easy to explain but it's not what you think it is.
...Can't we just leave it at that?

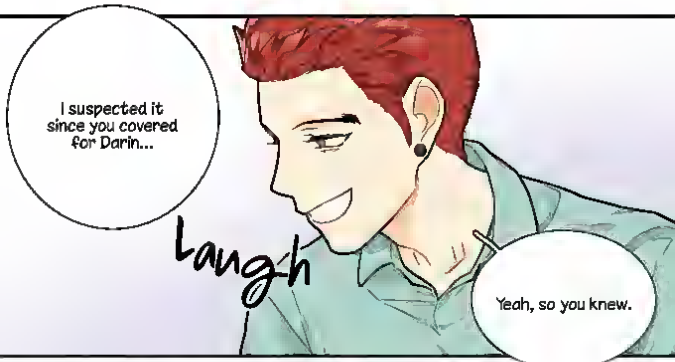
Why should I?
What loyalty do I have left to someone who imprisoned me in America?
.....

You used to believe everything I said in the past,
Sniff
you've changed.

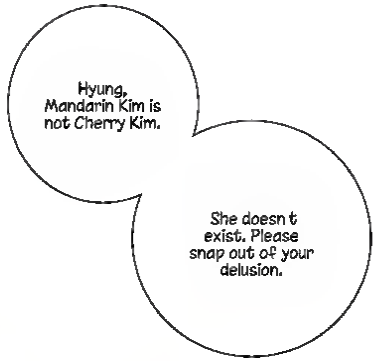
Drop the act.
Do you think I'll let you off if you play the pity card?
Poke
It used to work, and it's scary that it doesn't anymore now that you have a girlfriend.



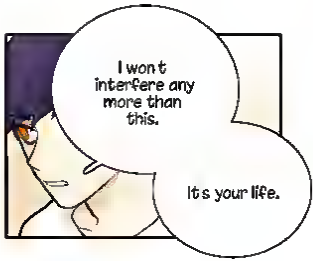
Hyung, you...
know Cherry Kim is Mandarin Kim right?



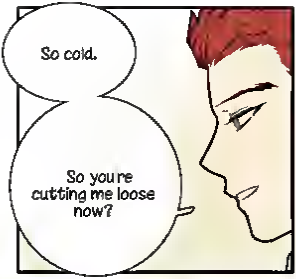
I suspected it since you covered for Darin...
Laugh
Yeah, so you knew.



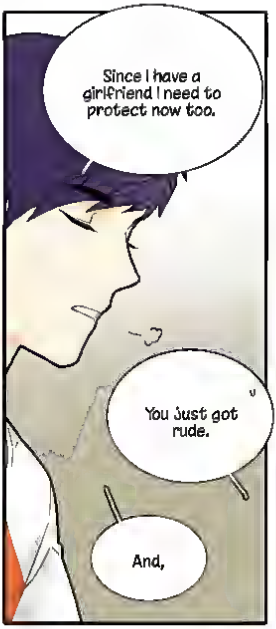
Hyung,
Mandarin Kim is
not Cherry Kim.
She doesn t
exist. Please
snap out of your
delusion.



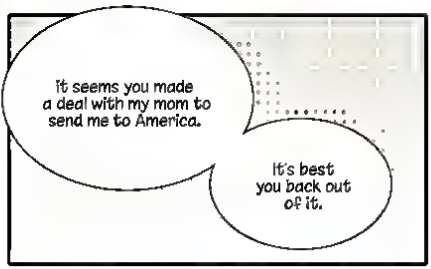
I won t
interfere any
more than
this.
It s your life.



So cold.
So you re
cutting me loose
now?



Since I have a girlfriend I need to protect now too.
You just got rude.
And,



It seems you made a deal with my mom to send me to America.
It's best you back out of it.

Hyung, you of all people know
how scary my mother is.
I know.

Anyway, I'm very disappointed in you this time.
Since I got betrayed by the person I trusted and followed.
.....Im sorry.

You use words like sorry in situations you can reverse.
Ah, I said Im really sorry!

What more should I do?
NOTHING MORE TO LOSE!
Should I get on the floor and beg? Do you want that?

Does everything end if you get on the floor and beg? Did anyone say they wanted that?
In a materialistic society like the one we live in right now, taking care of things with money is the best way.
You know that best, right?
Give me everything you have. Cards, cash, anything of value, everything.

You really can't get along with other girls!
Haha
You're one to talk.

You've been eating a lot lately. Aren't you going to turn into a pig again at this rate?
Wally's going to dump you.

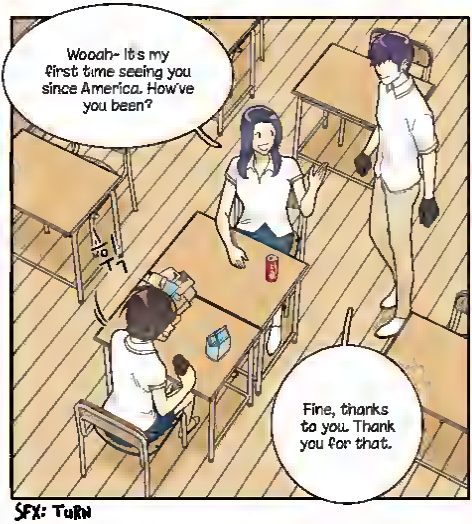
I have no intention of breaking up with Berry for that kind of reason.



Wooah- It's my first time seeing you since America. How've you been?
Fine, thanks to you. Thank you for that.

Can I go brag about this?

Don't tell Berry.
Where did you get the money to buy that? Berry told me how small your allowance is.

Um... What should I say...?
You know how I was imprisoned in America?
I basically paid for it with that.

Walnut bought it for me!

SFX: Bleh

We've already crossed the line.

If you only get rid of Walnut Kang, we can put all this behind us.

Does this look like that kind of simple problem to you?

Yeah, let's say that cheating on you with Pear Oppa was my mistake.
Let's say that you crossdressing was my fault too.
Ah, you're finally admitting to it?

But why...
why did you drag Sage into it?!

Well because you keep ignoring me...
SO THAT'S WHY YOU DATED SAGE?!

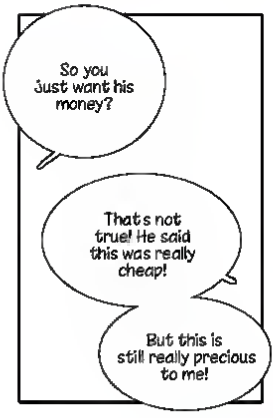
I thought you genuinely liked Sage at first.
What ridiculous things are you...?

The only reason I dated Sage was you!
There's no way I'd like her!

I was just getting your attention.
If you don't like me doing this, all you need to do is break up with Walnut Kang.

Walnut lives in a completely different class than you anyway so he'll get sick of you soon enough.
This crazy bastard, he won't listen to me no matter what I say... I don't think I can convince him
I should strike a little stronger
. . . .
I feel bad for you but

no matter what you say, we've already promised ourselves. We have that kind of strong relationship.
I'm really happy right now.
Not with you. With. Walnut.



So you just want his money?
That's not true! He said this was really cheap!
But this is still really precious to me!

Well then, I'll go since it's my turn cleaning.
Let's not see each other again.
